

City-Wide Water Distribution System Repair and Replacement Indefinite Delivery/Indefinite Quantity Program (IDIQ)

Council Presentation
March 19, 2019

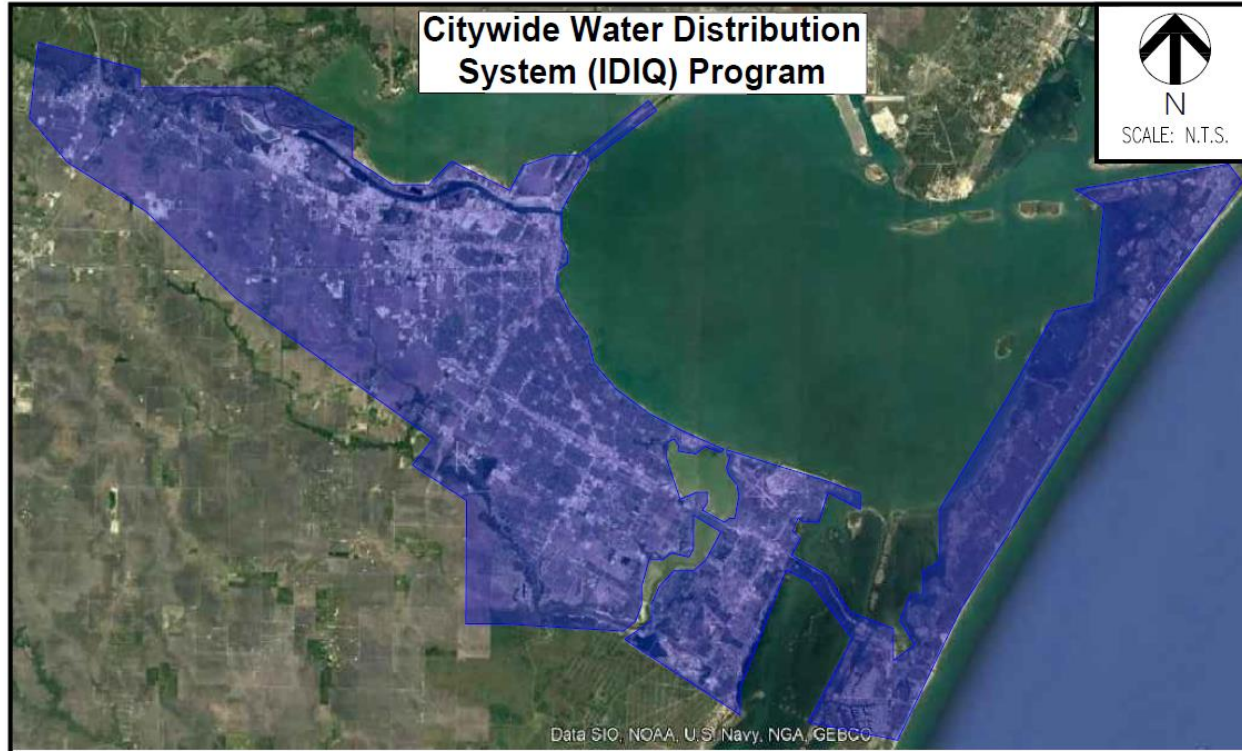

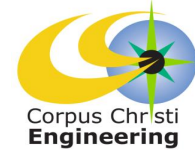

Project Location

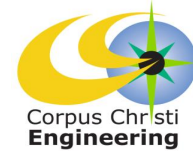

Project Vicinity

Project Scope

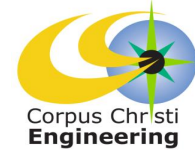

This provides for the following actions to meet critical infrastructure improvements for the water distribution system:

1. Construction Change Order No. 1 - Increases contract capacity on existing Water IDIQ (Year 2)
2. Professional Services Amendment No. 1
 - a. Engineering and technical support to execute delivery orders for change order capacity and final year (Year 3) of existing IDIQ construction contract
 - b. Scope also includes preparation of a new 3-year Water Line IDIQ program to continue strategic water line improvements citywide
