

Service Agreement with AYC, LLC, dba Hest Fitness Products, to Purchase & Install Exercise Equipment at Senior Centers

City Council Meeting
April 16, 2024

Background

- The Parks & Recreation Department recommended a budget initiative for FY 2024 to replace outdated exercise equipment at City Senior Centers.
- Exercise equipment will be replaced at all senior centers: Broadmoor (D2), Ethel Eyerly (D4), Garden (D4), Greenwood (D2), Lindale (D2), Northwest (D1), Zavala (D1) & Oveal Williams (D1).
- Replacing the outdated exercise equipment will help establish a positive impact by helping keep our Senior Citizens active & healthy.
- The 10-Year Parks & Recreation Master Plan has specific goals for future recreation programs which includes a focus to meet programming needs for the active senior market.
- Adult fitness & wellness programs were identified in public surveys as the 2nd highest priority for investment for recreation programs.

Current Exercise Equipment

The current equipment at Senior Centers is not commercial grade, is in poor, inoperable condition & has surpassed its service life.

New Exercise Equipment

- Each facility will be equipped with a full complement of basic equipment which provides the ability to train all core fitness dimensions (strength/cardio), resulting in improved health outcomes.
- The equipment chosen is based on accessibility, low impact & effectiveness.
- Each Senior Center will receive a new Treadmill, Recumbent Bike & Recumbent Stepper.

Multi-Stack Fitness System

The only center that will not receive a multi-gym system will be Broadmoor Senior Center due to space limitation.

Service Agreement

The Contractor will:

- Deliver and set up all equipment.
- Ensure all equipment is working as designed.
- Train staff on the proper use of each piece of equipment.
- Provide preventative maintenance such as clean, lube, check tension belt/cables & check controls to ensure system is working properly.
- Provide maintenance & repairs as needed not covered by warranty & continuous after manufacturer warranty expires with a reasonable two-week turnaround time.
- Contractor must submit a quote for any necessary repairs needed outside of the warranty time frame.

Recommendation

- Staff recommends approval of the Service Agreement for the purchase & installation of exercise equipment for all City Senior Centers.
