Resolution in support of an Affordable Housing development to satisfy the requirement set forth by the Texas Department of Housing and Community Affairs (TDHCA)

CAPTION:

Resolution of the City Council of the City of Corpus Christi, Texas in support of the proposed affordable housing project known as Oaklake on Rodd Field to be developed by NIFF Oaklake Rodd Field, LP.

PURPOSE:

The purpose of the Resolution is to satisfy a requirement set forth by the Texas Department of Housing and Community Affairs' 2017 Qualified Allocation Plan Section 11.9(d)(1) for Housing Tax Credits, which indicates that maximum points are given for a resolution from the Governing Body of a municipality (City of Corpus Christi) supporting the application for development.

BACKGROUND AND FINDINGS:

The City of Corpus Christi's Housing and Community Development Department has received a request for a Resolution to support the application and development of a development for affordable rental housing. The developer is hereby requesting a resolution of support for their individual proposed development. The Texas Department of Housing and Community Affairs' (TDHCA) 2017 Qualified Allocation Plan's Section 11.9(d)(1) for Housing Tax Credits indicates that in order to receive maximum points for the application, a Resolution of Local Support must be provided by the Governing Body of the municipality supporting the application or development.

Oaklake on Rodd Field, once constructed, will be an Affordable Housing Development located at 3101 Rodd Field Rd., Corpus Christi, TX 78414. NIFF Oaklake on Rodd Field, LP proposes the construction of 100 apartments of which approximately 92 units would serve families at or below 60% of the Area Median Income. If selected for Housing Tax Credits, the development will be primarily funded through TDHCA and private debt.

The developer will be available to answer any questions to the City Council regarding their proposed

application and project.
