5K/2Mile Run-Walk and Roll Against Gangs, Drugs and Violence

March 1, 2016

Dear Friends,

My name is Abel Alonzo and, I am the founder of the Nueces County I Believe In Me Foundation. The foundation is a qualified 501(c)3 that is raising funds to educate our youth about the consequences of becoming involved with gangs, drugs and violence. All funds will be used to educate our youth as we provide positive role models that have overcome such challenges and demonstrated achievement in the community.

The foundation is comprised of a Board of Trustees of citizens from the Nueces County area along with volunteers in the community. We are currently soliciting sponsors for our 3rd Annual 5K/2Mile Run-Walk and Roll event.

Unlike most other 5K 2Mile events held in Corpus Christi, this event will be held in an area of the City that has historically been socially and economically disadvantaged. The foundation believes that we must reach our youth in the communities where they live which is why the event is being held in an area of town that is largely ignored for events of this type.

Your sponsorship of this event will not only provide a tax deductible contribution for your business, sponsorship will also provide you with direct marketing to the participants and the nearby community members who will become involved in this event.

(OVER)

"I can do all things through Christ who strengthens me." Philippians 4:13

Our goal is to raise \$10,000 for the foundation with this event and your support will help us achieve that goal. Investing in our youth is one of the most important activities that leaders like you can participate in for this community. Please consider being part of this very worthwhile cause and event. Please make checks to Nueces County I Believe In Me Foundation and send to Abel Alonzo, 1701 Thames #133, Corpus Christi, Texas 78412.

We need sponsorships of \$25, \$50, \$100, \$250, \$500 or more! Please help us to help our children!

The event will be held on Saturday, May 28, 2016, at 8:00 A.M. at Manuel Q. Salinas Park, 1354 Airport Road, Corpus Christi, Texas 78416.

Sincerely,

A handwritten signature in black ink, appearing to read 'Abel Alonzo', written over the word 'Sincerely,'.

I do not currently serve on any City board, commission, or committee.

Education, Professional and/or Community Activity (Present)

I hold a bachelor's in Organismal Biology from Central Washington University and a master's in Biology from Texas A&M University-Corpus Christi. I am also a certified teacher in the state of Texas. I am involved with the community through STEM outreach in relation to the Texas State Aquarium and through the Ocean Exploration Trust, where I served as an ambassador aboard Dr. Robert Ballard's research vessel, the E/V Nautilus. I am also pioneering a new engineering track series in a concerted effort with Flint Hills Resources that will involve students presenting intellectual property to professional engineers and the program will also require students to design and build wheelchair ramps for the disabled in our community.
