- After solicitation of bids, Nueces County received 2 bids for Construction:
 - International Construction Engineering - \$454,533.00
 - DMB Construction - \$574,276.18
- Bid was awarded to International Construction engineering
- No changes to City contribution;
 - \$175,000 for construction
 - \$75,000 for utilities
- Nueces County will now provide **\$279,553**

Interlocal Agreement Amendment

Agreement:

- Nueces County responsibilities:
 - Contracting and overseeing construction
- City of Corpus Christi responsibilities:
 - Permitting fees / other applicable fees
 - Irrigation / backflow certification filing fees
 - Installation of water / wastewater utilities
 - Maintenance of premises and all improvements

Background

- 2015
 - Nueces County Commissioner Joe A. Gonzalez and Nueces County Inland Park Department approached City of Corpus Christi to make improvements at West Haven Park.
 - Joint project established.
- 2016
 - (Phase 1) City Council approved interlocal agreement with Nueces County to make improvements at West Haven Park including a new walking trail, improved irrigation and turf for multi-use athletic field, a half-basketball court, a new park sign with landscaping, exercise equipment, and lighting.

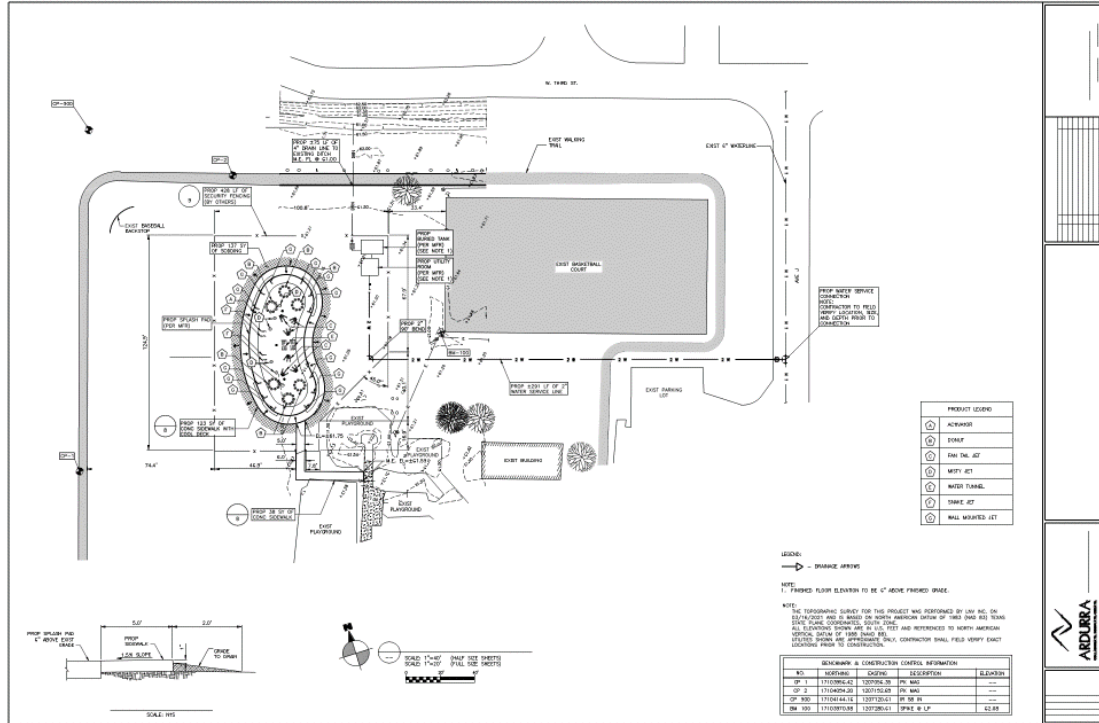

Background

- 2017
 - (Phase 2) City Council approved purchase and installation of playground equipment at West Haven Park.
- 2021
 - Proposed splash pad installation came as a request from residents. Nueces County and the City have worked together to provide the proposed agreement to fulfill this request.
- 2022
 - Requesting an amendment to reflect the increased construction cost and higher than anticipated Bids.
