

Pavement Markings IDIQ

Council Presentation
August 16, 2016

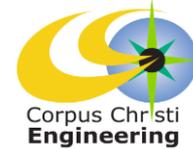

Project Vicinity

Project Scope

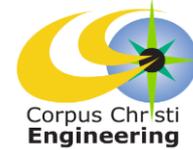

Continuation of City Program to improve pavement marking and striping for traffic safety and reduced congestion. Work includes:

- Pavement markings consist of centerline, lane, edgeline, for both flexible and rigid roadway surfaces.
- Raised pavement markers

This is a multi-year IDIQ construction contract with 1-year base term plus two 1-year optional renewal periods. Multiple delivery orders will be issued each year with specific scope and cost based on the contractor's unit bid prices. Delivery orders will be prepared and issued by City Staff.
