CAPTION:

Motion to approve Rules of Procedure for the Tax Increment Reinvestment Zone No. 2 and provide an alternative method in which items are placed on a meeting agenda.

SUMMARY:

The purpose of this item is to modify the board agenda preparation. These rules are similar to those adopted by other Boards and lay out the rules for conducting meetings, including the methods of placing items on the agenda.

BACKGROUND AND FINDINGS:

Currently, only the Board Chair and the City Manager can put items on the agenda. The proposed change will allow items to be placed on the agenda by not only the Chair and City Manager, but also by the Vice-Chair or other presiding officer in the Chair's absence or at least four members of the Board who shall confirm their request with the City Manager.

A Board member wishing to place an item on the agenda shall notify the City Manager at least seven days prior to the scheduled meeting. The City Manager shall inquire of the other members whether they wish to join the request. The subject matter of agenda items shall be subject to Board action unless the item is limited to discussion only.

ALTERNATIVES:

The Board could choose to keep the same agenda item procedure or request an alternative method of placing items on the agenda.
