Why are you interested in serving on a City board, commission or committee?

I am the hardest worker you will ever meet. I am extremely driven, ambitious, accountable and have impeccable time management. Being in the military has taught me so much about handling the ups and downs of life and I continue to instill that through my everyday problems of life and conquer them in every way. Serving this community that has made me who I am today will make me the proudest I've ever been. I am proud to be from Corpus Christi. This is my home. This is my life. I want this more than anything and will work extremely hard to make it happen. I will serve this community with passion.
