

# Bay Water Quality Improvements IDIQ

Council Presentation  
July 26, 2022

# Project Location

# Project Scope

A brief summary of proposed improvements is as follows:

- Excavation of existing stormwater pipe and box culverts that outfall into the Bay, SWPPP/permit compliance, installation of trash separators, baffle boxes, manholes, trash racks, or containment booms, limited site improvements, pavement repair, and temporary traffic controls.
- The City will issue the Contractor individual work order called “Delivery Orders” that provide specific scope and requirements.
