Subject : Westwood heights unit 4 Appeal to Plat Expiration

Dear Mr. Orozco,

The final plat for Westwood heights unit 4 has expired. I have submitted for a Construction reimbursement. Construction is not to commence until the reimbursement is approved by City Council. This along with the financial burden of the pandemic has caused the delay to commence. I am needing to request more time to get these items completed. In addition am Waiting on the approval on the reimbursement before we can proceed to construction

Please extend the plat for Westwood heights unit 4.

Sincerely yours,

Navid Zarghooni
