PURPOSE:

The City of Corpus Christi has been awarded two grants to be disbursed to Tuluso-Midway Independent School District (ISD) to construct safe shelters. One grant in the amount of \$1,800,000 with a 25% match requirement will be used to construct a new stand-alone 20,000 square foot safe shelter on a field at the Tuluso High School campus, located at 2653 McKinzie.

The second grant in the amount of \$1,080,000 with a 25% match requirement will be used to construct a new stand-alone 12,000 square foot safe shelter on a field at the Tuluso-Midway Intermediate School campus, located at 1921 Overland trail.

Tuluso ISD will be solely responsible for the costs, construction and maintenance of the shelters. The City will submit Tuluso ISD's reimbursement packages under the grant terms to the Texas Division of Emergency Management for funds reimbursement on behalf of Tuluso-Midway ISD and will distribute grant funds to ISD when received. The City and FEMA shall have use of the shelters as needed during inclement weather conditions and emergencies.
