Proposed Update for Interim Average Usage

Effective October 1, 2022

ARTICLE VII. WASTEWATER RATES

(1) Definitions.

(c) Interim **residential** average usage

The monthly wastewater usage established by the city for individual customers who have not established a “winter quarter average usage”. The “interim **residential** average” is **calculated annually three thousand (3,000) gallons per month,** and is the basis for monthly wastewater charges until a “winter quarter average usage” as defined in subsection (b)(1)b. of this section is established for the individual customer.
