Why are you interested in serving on a City board, commission or committee?

As a lifelong resident of Corpus Christi, I am passionate to see our community thrive. Retirement in 2019 has afforded me the opportunity to volunteer on a local level and I would like to serve on the Corpus Christi Airport Board. The Corpus Christi International Airport is an incredible asset that is instrumental in moving our economic growth forward. With the significant influx of industries, we must work to expand airport services as we have seen the loss of companies in the past due to the challenges of air travel for their employees. In addition, a thriving airport is a quality of life issue for both residents and tourists. CCIA leadership has made incredible strides in upgrading the facility and seeking solutions to traveler leakage and I would be honored to contribute to the work.
