Re: NORTH PADRE ISLAND BEACH ACCESS ROAD 2
City of Corpus Christi Project No E16452 (BOND 2014)
Letter of Recommendation – Award of Contract

Dear Mr. Edmonds,

We have reviewed the three (3) bids received on August 2, 2017 for *North Padre Island Beach Access Road 2 City of Corpus Christi Project No- E16452 (Bond 2014)*. The project consists of full reconstruction of Access Road 2 including additive alternates to “counter-sink” the new concrete pavement at the beach and install a new waterline for future beach improvements.

The bidders were Mo-Con Services, Inc (Mo-Con), Jimmy Evans Company and JE Construction Services. Mo-Con and JE are from Corpus Christi, TX and Jimmy Evans is from Austin, TX. The three (3) bids have been evaluated and a Bid Tabulation has been prepared (see attached). The low bidder is **Mo-Con Services, Inc** with a Total Base plus Additive Alternate No. 1 and Additive Alternate No. 2 Bid of **\$446,996.49**.

We are in receipt of Mo-Con’s Statement of Experience (SOE) and Mo-Con has not completed any projects for the City of Corpus Christi in their short existence (est. in 2014). Mo-Con has successfully completed projects for Nueces County and the City of Bishop over the past year and Mo-Con’s President, Ruben Moya, has successfully completed projects in 2001 and 2002 for the City of Corpus Christi with his previous company, Moya Construction, Inc. Mo-Con’s management team has extensive experience in roadway construction and is suitable for the project.

Based upon our evaluation of the bids and SOEs, Govind Development, LLC recommends award of the project to **Mo-Con Services, Inc.** for the following bid amount:

TOTAL BASE PLUS ADD. ALTERNATES 1 AND 2 BID **\$446,996.49**

If you have any questions, or require any additional information, please contact our office.

Respectfully,

Marcos Ybarra, P.E.
Lead Civil Engineer
