Subject: London Towne Subdivision Unit 4 (Final plat) – Time Extension Request

Mr. Orozco:

The final plat of London Towne Subdivision Unit 4 is coming up for expiration on March 16, 2021. Urban Engineering, on behalf of Braselton Development, respectfully requests a time extension of six (6) months for the above referenced project. The developer has recently partnered with D.R. Horton and is re-evaluating the layout for this Unit. We have included a check in the amount of \$38.00 (No. 029626) for this request. Please feel free to call if you have any questions or comments.

Thank you,
