

Resolution authorizing a three-year Radio Network Support & Maintenance Service Agreement with Dailey and Wells Communications, Inc., in an amount up to \$1,416,741.42 for enterprise software support, maintenance, and technical services, renewable annually subject to sufficient appropriations, such services being necessary to maintain the operational reliability of the Coastal Bend Regional Interoperability Network (CBRIN) radio system, with FY 2026 funding of \$236,123.57 from the General Fund.

WHEREAS, the City of Corpus Christi (City) is the administrator of the Coastal Bend Regional Interoperability Network (CBRIN) public safety radio system utilized by a consortium of federal, state, and local agencies and departments, in addition to several South Texas cities, necessary for the coordination and critical radio communications supporting functional emergency and non-emergency services, one of eight such networks operating in the State of Texas;

WHEREAS, the City, on behalf of the CBRIN, requires enterprise software support, technical support, and continued maintenance services for the public safety radio system's equipment and peripherals served by the system;

WHEREAS, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exception applies; and

WHEREAS, the City Council finds that there are two statutory exceptions for this procurement in the Local Government Code: sections 252.022(a)(2) and (a)(7)(D), as this procurement: (i) is necessary to preserve or protect the public health or safety of the municipality's residents; and (ii) consists of captive replacement parts or components for equipment, respectively.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or his designee, is authorized to execute all documents necessary to obtain the necessary support and maintenance services from Dailey and Wells Communications, Inc., pursuant to the terms and conditions of the three-year Radio Network Support & Maintenance Agreement in the amount of \$1,416,471.42, with annual renewal subject to sufficient appropriations, with FY 2026 funding of \$236,123.57 from the General Fund.
