Why are you interested in serving on a City board, commission or committee?

As a Corpus Christi native and resident I am passionate about our unique designation as an international migratory bird hotspot, and I would like to offer my energy and expertise by applying for a position on the City Parks & Recreation committee. Birds depend on trees and green space for survival, and our parks system can provide the curated habitat that migratory birds need to thrive. In addition, Eco-tourism is an untapped resource in our city, deemed 'The Birdiest City in Texas.' Through habitat preservation and enhancement, planting of 'bird and pollinator attracting' native plants, trees and grasses, and tapping into the wealth of volunteers and bird-friendly and naturalist organizations in Corpus Christi (for example, the working relationship at Blucher Park between the Audubon Outdoor Club & Texas Master Naturalist and the Parks Department) we could help reverse declining bird populations AND increase eco-tourism in Corpus Christi. Thank you for considering me for this important position.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Parks and rec Reinvestment island

Why are you interested in serving on a City board, commission or committee?

My desire to be in the board stems from my passion for outdoor activities for families. Bringing residents together to socialize and let their kids have fun in the outdoors. I have been lobbying for a splashpad here on Padre Island. We have zero water play and it's so hot in summers and strong Rips suck children out to sea. We need and deserve a space for us, especially the taxes we are paying. I was informed while on my mission about the Triz2 fund for parks set aside from developers who take so much yet give so little in return. I'm all for developing our island but we deserve the basics that other areas have. Learning more about these funds and how they are allocated really moved my heart and several councilmen and women advised me to look into this board. They want regular good folks who have the residents' best interest at heart to have some say, some voice to be heard on their behalf. I'd be honored to be that voice and speak up for families that would be enriched by giving my input. Also, I'm passionate about trash cleanup. I want to see our city shine and reach its full potential; a huge part of that is the parks department. I admire their dedication and professionalism but if we work together we can find solutions that benefit everyone along the way. I have a vision now I need your help to make it a reality. Thank you for your time reviewing my application and I look forward to 2023 being a year of growth and prosperity. Have a great year yall!!!

Education, Professional and/or Community Activity (Present)

I currently have my MBA from TAMUCC. I am born and raised in Corpus Christi and I see the growth that is happening in our city, as a local I want to be a part of the amazing change I am seeing. In my current role, I work closely with licensed Medicare brokers and I see the value that my broker partners bring to our senior population. I have recently partnered up with The Senior Companion program and I see the value that these programs bring to our community. I want to be more involved in bringing awareness and resources to our local Coastal Bend community and I feel by being a part of this board I can give back by being the intermediary between seniors/community and things happening in our community. I am on the board of "For the Love of Children" which is put on by HALO-Flight, DPS, and Conviva Care Centers.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Parks and Rec Arts and Culture

Why are you interested in serving on a City board, commission or committee?

Recently I have gotten more involved with the senior companion program and am mind blown at the selflessness that the companions and the whole senior companion program represent. Not everyone in our community has access to resources and I have found that I enjoy being that resource to our community, whether it be a friend, family member, potential patient, or just being able to educate. We are one community and I want to be the change I want to see, I want to be the advocate that someone wishes they had, and I want to be able to know I did a good deed today. I am growing professionally and personally and I feel being a part of a City committee will only give me more resources to help others in my community.

Education, Professional and/or Community Activity (Present)

Retired Army Colonel; Master of Divinity Degree; Bachelor of Science Degree in Computer Science; 5 years as faith-based home congregation leader; Leadership Corpus Christi Association member, class XLV; 4 years on the Terra Mar Property Owners Association Board as Vice-President; 6 years on the Corpus Christi Metro Ministries Board of Directors, including Treasurer (2020) and Secretary (2021); 3 years on the Nueces County Sheriff’s Training Advisory Board; County Citizens Defending Freedom Ambassador and Election Integrity Project member.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Only applied for Parks and Recreation Advisory Board

Why are you interested in serving on a City board, commission or committee?

To continue community service with the goal of helping Corpus Christi fulfill the purpose of its name and ensure that it remains a wonderful place to live and raise families. As a retired U.S. Army Colonel, who has served our nation abroad and in Texas for 30 years, I have always been actively involved in the various military communities in which I was stationed. I have been blessed with the opportunity to serve the Corpus Christi community in several ways as mentioned in the previous Education, Professional and/or Community Activity section, and plan to leverage the relationships and experiences forged to provide the best service and insight as a Parks and Recreation Advisory Board member.

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

LETTERS OF RECOMMENDATION

September 1, 2022

To Whom it may concern,

It's my absolute pleasure to recommend Janie Gifford for your employment.

Janie and I were coworkers at Unique Employment for the 7 months that I was employed there. I have since moved on, but have kept in close contact with her.

I thoroughly enjoyed working with Janie and always admired her positive, upbeat spirit and willingness to learn. Her organization skills and commitment are top-notch and I believe she can do anything she puts her mind to because she fully engulfs herself in any task she is presented with.

Her goals and ambitions are an inspiration to others as she continues her journey through life. Her willingness to be part of a team, foster positive discussions, and her dedication were truly admirable. Couple that with her ever-growing intelligence, insights and ideas, and work/life experiences, I believe she would be an asset to any organization that chooses her to be part of their team.

Please feel free to contact me at (806)-893-4263 or jaycezuniga16@gmail.com should you like to discuss Janie's qualifications and experience further. I'd be happy to expand on my recommendation.

Sincerely,

Jayce Zuniga

To Whom This May Concern:

I am pleased to write this letter of recommendation for Janie Gifford, who is currently applying to your graduate program.

I have had the pleasure of knowing Janie for a little over a year. She was a student in my upper-level research methods course at Texas A&M University – Corpus Christi. As a student in the classroom, Janie was engaged and performed well overall. She picked up new tasks quickly and was able to present her results effectively both in written and oral form. She also worked well under the unusual circumstances created by the early stages of the COVID-19 pandemic and was able to continue her learning process, even in a format that may not have been her first choice.

In addition to her work in the classroom, Janie has worked in the field, often in positions that would give her more insight into the courtroom and surrounding processes. She has been a paralegal as well as a receptionist/court runner for several legal firms. As a result, Janie, more than many other undergraduate students that I have taught, may have a clearer sense of the role in the criminal justice system that she is wishing to undertake. As a result of Janie's knowledge of the system, her persistence when it comes to continued learning, her ability to successfully complete difficult new tasks under difficult conditions, and her abilities to communicate both orally and in writing, I highly recommend Janie for your program. If there is anything else I can do to further her application, please do not hesitate to contact me.

Sincerely,

Wendi Pollock

To Whom It May Concern:

I am highly recommending Janie Gifford to you. I am a paralegal at Bandas Law Firm and I have worked with Janie in redeveloping our litigation filing system. I believe Janie would be a great asset to the position she applies for.

Janie has displayed a very positive and ambitious work ethic with all tasks I did present to her. On top of that, she had excellent organizational skills and was very prompt.

I believe that Janie will be a great fit for your business. She was amazing to work with and shows she is very knowledgeable while also has a interest to learn more.

Sincerely

Brittani Ortiz
Paralegal

To Whom It May Concern:

It is my great pleasure to write this recommendation letter to Janie Gifford for her application to law school. Janie Gifford is one of my students at Texas A&M University of Corpus Christi. She took communication theory course with me. I was impressed by her diligence, critical thinking, and exceptional communication skills.

I am an assistant professor of Department of Communication and Media at Texas A&M University-Corpus Christi. I have taught communication related courses since 2015. Janie Gifford is one of the most talented students I have worked with.

In Communication Theory class, Janie is one of the students who progressed tremendously at the end of the class. At the beginning, Janie was a little bit struggled with her case study idea. With tons of hard work and deep research, at the end of the semester, Janie developed a great piece of final work. I am surprised by her perseverance and determination. Her immense improvement resulted from her hard work and unstoppable spirit.

In addition to schoolwork, Janie also has various professional experience. She has been a hiring recruiter for unique employment agency. In addition to that, she also worked as a paralegal for years. Janie is enthusiastic about her work and developing numerous important skills and abilities for her future career. With years of working experience, Janie is excellent at multitasking, planning and communication. To be a good paralegal, she needs to greet clients, take calls, manage social networking, interact with courthouse, jails, and police officers. Her extraordinary multitasking and planning skills made her survive and thrive in her job. Meanwhile, communication is another integral part in her work, an exceptional communication skill made Janie work with various people smoothly and productively.

To sum up, Janie is a self-motivated person with great passion on her study and job. With all the above-mentioned remarkable qualities, I believe that Janie Gifford will continue to be great in her future. I highly recommend her for admission to your program. She is talented, dedicated, hardworking and never stops chasing her dream. Janie's outstanding multitasking abilities, planning and communication skills will also make her a brilliant student in law school. Please feel free to contact me if you have any questions at sining.kong@tamucc.edu.

Attn: Law School Admissions Committee

Re: Recommendation for Admission to Law School
Janie Gifford

Dear Law School Admissions Committee,

It is with great pleasure that I recommend Ms. Janie Gifford for admission to your law school. Throughout her employment with my prior law firm, Ms. Gifford has proven to very observant, a quick learner and exhibited professionalism and commitment to her work.

Ms. Gifford was initially brought into my office as additional office support with the understanding her responsibilities would be increased after her abilities were demonstrated. Ms. Gifford quickly shined and excelled.

Ms. Gifford was entrusted with maintaining client communications, handing sensitive documents and financial information, and keeping the office a welcoming and professional environment for my clients and colleagues. I was most impressed with her inquisitive nature. I took that to be demonstrative of both her attention to detail but also sincere desire to learn. Unfortunately, my prior partner began transitioning to retirement in August of 2018, and I was unable to continue to employ her as our office staff was downsized.

I believe Ms. Gifford has the character, work ethic and natural abilities necessary to excel in law school as well as practice. Having Ms. Gifford as a student at your law school will be a credit to your institution.

Sincerely,

STEVE LOPEZ

Yes No

Question applies to CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

The City Council designates at least one of its appointees to represent the interests of the "transportation disadvantaged". "Transportation disadvantaged" is defined as meaning the elderly, persons with disabilities, and low-income individuals. State law does not mandate that the board member be transportation disadvantaged. Can you represent the interests of the "transportation disadvantaged"?

Yes No

Question applies to CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

Explain how you represent the interests of the transportation disadvantaged. (If No, enter "N/A")

I would do so by making sure all of the people that are without transportation are afforded the same opportunities as far as assisting with medical, educational, and basic needs so that each are helped fairly and consistently.

Howard L. Schauer hails from Texas. Currently serving as a Department of Navy Civilian at Naval Air Station Corpus Christi with the Public Works Department. In September 2017, I retired as a Colonel from the Texas Military Forces after serving for 35 years. During the 35 years I worked in Oklahoma, Nebraska, Virginia and Texas where I honed my skills in facilities maintenance, management, project management, planning, programming and budgeting for military construction projects using the DD 1391 process. My deployed time really ignited my problem solving skills and my desire to improve life for those in need.

Early in my military career, I was fortunate to train in Jamaica where our Combat Heavy Engineer unit conducted Humanitarian Assistance to the populous in the aftermath of Hurricane Gilbert. Our mission worked in concert with the U.S Embassy and the Jamaican Government to rebuild roads, schools, medical clinics. This facilitated the real work of rebuilding the lives of the courageous and strong people while allowing the government of Jamaica provide basic elements for its people.

Between 2003, and 2016; I completed three combat tours to Afghanistan including numerous short tours, equaling 42 months of boots on the ground in country. In my first tour, I worked with U.S. Army Corps of Engineers to complete over \$53 Million U.S. Dollar construction projects to support the infrastructure for Afghan Security Forces, U.S. and Coalition Forces. Construction included barracks, dining halls, a 30-megawatt diesel power plant, roads, canals, diversion dams, and many other structures that protected villages from mudslide, earthquake damage, and watershed damage from heavy rains and snowmelt.

2008 a unique challenge in working with the U. S. State Department, U. S. Aid for International Development, U. S. Department of Agriculture, Ministry of Agriculture Irrigation and Livestock, 17 U.S. States, 12 Land Grant Universities and many Non-governmental organizations and foreign countries to undertake the Afghanistan Agricultural Development Team Mission. Over the course of the mission 3225 military personnel and 30 civilians deployed in supporting various stakeholders to assist farmers to increase productivity, and food security and decreasing insurgent activities thereby improving safety in the region.

The 2016 deployment to Kandahar Airfield brought even greater challenges. Shortly after arriving, insurgents suddenly occupied specific supply routes to a strategic base camp. This greatly disrupted the roads, fuel, and supply corridors. Without fuel, operations within this U.S Strategic interest would cease endangering allied forces and to their missions. The short-term solution was to supply fuel via U.S rotary wing aircraft. I worked through channels with the NATO Support and Procurement Agency, and obtained civilian assets to airlift 20 thousand gallon of fuel on a daily basis until the missions were completed. This change allowed for better optimization of U.S. Forces and to- date there have been 400 missions completed without loss of life or equipment.

The past 35 years in both civilian and military jobs I have refined my leadership skills, and to be a well-rounded manager that can solve problems meet the mission or tasks at hand without compromising the safety or lives of those on my team or teams we were supporting. I have stood the watch to receive displaced persons from Hurricane Katrina, and wildfires in western states. I have worked in the emergency operations center in Washington D.C during Super Storm Sandy. I understand the Chain of Command, leadership and the only way to do something is the right way.

WORK EXPERIENCE

Kinesiology, Texas A&M University-Corpus Christi (2010) Assistant Professor – Del Mar College (August 2022 – present). My duties include teaching 5 courses per semester in the College of Education and Kinesiology. Health and Physical Education Specialist - Department of Curriculum & Instruction, Corpus Christi Independent School District (June 2020 to August 2022) My duties included coordinating state and local physical fitness assessments for 34,000 students, acting as the coordinator for the Corpus Christi ISD (CCISD) School Health Advisory Council (SHAC), coordinating the CPR training graduation requirement for CCISD seniors, and managing the off-campus PE equivalent. I am responsible for collaborating with community partners to broaden and enrich health, wellness, and physical education curriculum. Additionally, I am responsible for creating and organizing professional development for over 140 physical education teachers. Adjunct Instructor, Department of Kinesiology, Texas A&M University–Corpus Christi (September 2012 to present). For the past ten years, I have taught content-specific courses for the all-level physical education teacher certification (Elementary Physical Education Methods KINE 3339, Secondary Physical Education Methods KINE 3341, and Re-Inventing Games KINE 2317). I have also taught numerous exercise science courses related to personal training. Physical Education Teacher: Woodlawn Elementary School, Corpus Christi Independent School District (September 2014 to September 2020). I taught TEKS-aligned lessons in health and physical education. I was also the campus running club sponsor, safety patrol sponsor, Woodlawn pride sponsor, coordinated school health chair, Destination Imagination Sponsor, and Jazzy Jaguar Sponsor. In each of these responsibilities, I made sure my students felt comfortable and ready to learn in my classes and during activities. Parks and Recreation Specialist, Content Specialist Coach, City of Corpus Christi, summers only (May 2007 – August 2014). My responsibilities during my time with CC Parks and Recreation varied over time. I coached students during my first three summers with Parks and Recreation. My duties as a coach included creating fun daily activities for the students, organizing field trips, serving lunch, and organizing the last-day party. As a content specialist, I would travel to all recreation sites (Oak Park Recreation, Coles Recreation, Lindell Recreation, Joe Garza Recreation, Ben Garza Recreation, and Oso Recreation) to teach science-specific lessons to the students. These lessons also included experiments that we would do together. I also provided cardiovascular and exercise resistance-based activities at these different sites. If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

This is the only board I applied for.

Why are you interested in serving on a City board, commission or committee?

For a while now, I've been interested in giving back to my community by serving on boards or committees, as you can see from my Education, Professional, and Community Activity box. I believe it's essential for community members to actively participate in governance by volunteering their time to serve on boards and attend council meetings. My background is in Kinesiology and Education, and I enjoyed my time on the Mayor's Fitness Council while it was active. I applied to be a member of the Texas School Health Advisory Council (TSHAC) and was chosen as an alternate member. This activity sparked my interest in researching any board vacancies in the city that interested me, leading me to apply for this board.

(September 2014 to September 2020)

Duties: I taught TEKS-aligned lessons in health and physical education. I was also the campus running club sponsor, safety patrol sponsor, Woodlawn pride sponsor, coordinated school health chair, Destination Imagination Sponsor, and Jazzy Jaguar Sponsor. In each of these responsibilities, it was my job to make sure my students felt comfortable and ready to learn in my classes and during activities.

Research and Teaching Assistant, Department of Kinesiology, Texas A&M University- Corpus Christi
(September 2010 to August 2012)

During this time I taught Motor Development classes at the undergraduate (KINE 3338) and graduate (KINE 5338) level with Dr. Alison Murray as well as Biomechanics Lab (KINE 4127) and Exercise Physiology Lab (KINE 3112). Congruently, I worked with Dr. Murray on a research project in a local public school system. We were in 10 different schools, 5 elementary and 5 middle schools for 2 years. We took Fitnessgram data and studied metacognition and its implementation at the experimental campuses.

Parks and Recreation Specialist, Content Specialist Coach, City of Corpus Christi, summers only
(May 2007 – August 2014)

My responsibilities during my time with CC Parks and Recreation varied over time. I was regular coach for students during my first 3 summers with Parks and Recreation. My duties as a coach included creating fun daily activities for the students, organizing field trips, serving lunch, and organizing the last day party. As a content specialist, I would travel to all of the recreation sites (Oak Park Recreation, Coles Recreation, Lindell Recreation, Joe Garza Recreation, Ben Garza Recreation, and Oso Recreation) to teach science specific lessons to the students. These lessons also included experiments that we would do together. I also provided cardiovascular and exercise resistance based activities at these different sites as well.

RESEARCH INTERESTS

- Studying the impact of physical activity on student academic achievement and physical fitness.
- Social-emotional learning and its impact on physical activity in students at middle school grades.
- Policy impact, at the state and federal levels, concerning social justice and equity in physical activity for K-12 students.
- Improving how physical activity/education is evaluated and analyzing an evaluation system that uses an appropriate developmental spiral for cognitive and psychomotor learning.
