

Ordinance authorizing a software development and support agreement with Raftelis Financial Consultants, Inc., in the amount of \$200,000.00 for a parcel data management software application for the City's Storm Water Drainage Utility System; appropriating \$200,000.00 from the unreserved fund balance in the Storm Water Fund; and amending the FY 2022 Operating Budget.

WHEREAS, on September 7, 2021, the City Council enacted City Ordinance No. 032543, which established a Storm Water Drainage Utility System for the City of Corpus Christi ("City") and levied a schedule of storm water drainage charges on all non-exempt real property in the City to pay for storm water drainage;

WHEREAS, the Public Works Department requests to appropriate \$200,000 from the unreserved fund balance in the Storm Water Fund to provide the necessary expense to engage the City's storm water consultant, Raftelis Financial Consultants, Inc., to develop and implement a software application for the management of parcel data to be utilized by the Storm Water Drainage Utility System; and

WHEREAS, the software development agreement also includes approximately nine months of software support of the parcel data management application for the City's Storm Water Drainage Utility System; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:

Section 1. The City Manager, or his designee, is authorized to execute a software development and support agreement with Raftelis Financial Consultants, Inc., to develop and implement a parcel data management software application necessary for use by the City's Storm Water Drainage Utility System, with software application support to be provided through September 30, 2022.

Section 2. Funds in the amount of \$200,000 are appropriated from the unreserved fund balance in the Storm Water Fund for the purpose stated in this ordinance. Furthermore, the City's Operating Budget for FY 2021-2022, adopted by Ordinance No. 032539, is amended by increasing expenditures by \$200,000.
