No

**Education, Professional and/or Community Activity (Present)**

AA: Del Mar College (1994); BA: TAMUCC (1995); PhD: Boston College (2004)

**If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)**

N/A. I'm only applying for one.

**Why are you interested in serving on a City board, commission or committee?**

I am a trained, quantitative sociologist. I regularly use data from the Bureau of Labor Statistics, the American Community Survey, and the U.S. Census in my research and while teaching my classes. I've spent nearly two decades teaching a course titled, "Social Class and Inequality" where I've required my students to apply concepts to these regional data. What's more, I've been a researcher for Health Needs Assessments in the Coastal Bend since 2010, and I have conducted research that examines the impact of economic inequality on people's life chances. Moreover, as a concerned citizen, I've paid close attention to the operations of the Port of Corpus Christi as well as economic reports produced by the Coastal Bend Council of Governments. I believe my professional training as a social scientist, as well as my research activities, as well as my years of civic engagement make me a uniquely qualified person to serve as a Port Commissioner.

BA in History and minor in English. I own a rental property throughout Corpus Christi, own a ranch in Atascosa Country (cattle). I am active member of CDF. I was an educator and tutor. I have taught swimming lessons and water safety.

**If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)**

crime control and prevention district

**Why are you interested in serving on a City board, commission or committee?**

I was raised in Corpus Christi and moved away for 10 years; after I moved back to Corpus Christi I was shocked to see how high crime had risen. I love Corpus Christi, and I hate to see people leaving our city. I would like to help address the crime problem. I know we have a strong police dept, but it takes citizen involvement to create change. I believe I could be a bridge between the police dept and the All citizens of Corpus Christi.

**If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)**

Library Board, Citizens Advisory Health Board, Crime Control & Prevention District, and Parks and Recreation Advisory Board

**Why are you interested in serving on a City board, commission or committee?**

To continue community service with the goal of helping Corpus Christi fulfill the purpose of its name and ensure that it remains a wonderful place to live and raise families. As a retired U.S. Army Colonel, who has served our nation abroad and in Texas for 30 years, I will continue to support and defend the Constitution of the United States, based on the premise that it was drafted to secure the unalienable rights of the American citizenry-- "deriving their [governmental] just powers from the consent of the governed." I believe that "we the people" are the government and it is our civil duty to not only elected officials, but to undergird them with our individual and collective action. I have always been actively involved in the various military communities in which I was stationed, both aboard in Germany and in Texas. I have been blessed with the opportunity to serve the Corpus Christi community in several ways as mentioned in the previous Education, Professional and/or Community Activity section, and plan to leverage the relationships and experiences forged to provide the best service and insight as either a member of either the Library Board, Citizens Advisory Health Board, Crime Control & Prevention District, or Parks and Recreation Advisory Board.

## WORK EXPERIENCE:

Nov 2017 to Present. Communications Electrician, Southern Technical Controls, 8128 Leopard St, Corpus Christi, TX 78409; (361) 289-1007

I service and repair CCTV camera systems, intercom systems, data uplink to satellite and install new IP bases camera systems for over 30+ land-based oilrigs all over South and East Texas. I operate on a 24/7 call out basis. My daily role is to troubleshoot and make repairs to keep rig in operation. I co-designed a full network camera and wireless network intercom system for rig use. Normal operations require climbing 100 feet to the top of the oil derrick to make repairs. I have self-management and self-accountability skills to see that the job is done right and quick to avoid rig shut down. I make professional recommendations on camera placement, remotely log into systems in order to troubleshoot and/or make repairs. I connect to the network, making adjustments and ensuring updates are made to critical software. I use vendor specific software to make programming code adjustments. I manage, maintain and make out accurate detail repair reports and submit invoices for payment to rigs. I perform inventory management, time management, vehicle management as well as equipment management. I performed service work at a deep-sea rig yard. I am in charge of sales of new systems to replace out dated systems. I self-manage time and schedules in order to effectively service multiple clients daily. I multi task on-site jobs and coordinate with other third party's to complete work. I have a very high level of electrical and computer skills.

Feb 2015 to Nov 2017. Field IT Installer, Total Protection Systems Inc., P.O. Box 270837, Corpus Christi, TX 78427; (361) 289-2788

I assisted in overseeing designing and planning for projects. I offered a turnkey approach to delivering a fully integrated security system based on the needs and requirements of the customer. This approach incorporated the following capabilities: site survey, system design, pre-installation logistics support, system installation & training, project documentation as well as system sustainability & support. I also assisted in the sales, maintenance, and service after for access control, closed circuit TV systems, fire systems & other life safety systems, intrusion systems, ID management, network infrastructure, vehicle control and parking control systems. I worked closely with vendors and clients to ensure an expected result. Customers that I serviced included: City of Corpus Christi (All Departments), NAS-CC, Signature Flight Support, Spohn Hospitals, Holiday Inn, Coldwell Bankers-Leasing, and many more.

May 2013 to Jan. 2015. Texas Area Supervisor , TSP Controls/Drill View Video, 6696 Exchequer Dr., Baton Rouge, LA 70809; (225) 753-8884

I managed the Texas area and supervised five technicians as well as serviced rigs. I oversaw and assisted in new installs at seven rig yards. I was responsible for the survey and bidding of new installs, one being a deep-sea rig yard. I serviced and repaired CCTV camera systems, installed new IP bases camera systems and troubleshoot currently installed systems with minimal down time to client. I was in charge of sales of new systems to replace out dated systems for the South Texas district. I managed and maintained accurate records of repairs and wrote invoices. In order to service multiple clients daily, I self-manage time and schedules. I multi tasked on-site jobs and

coordinated with other third party's to complete work. I have a very high level of electrical and computer skills.

Feb 2010 to Feb 2013. Lead Senior Marine Oil Inspector / Inspector Trainer; Inspectorate America, 4717 Santa Elena, Corpus Christi, TX 78405; (361) 884-8805

Duties included the inspection of oil in the petrochemical industry, and provided customers with high levels of precision measurements. I oversaw the loading, loading or transferring of cargo. I am highly skilled in computer operations and Microsoft Excel programming. I effectively communicated orally as well as in writing. I am a team player, have the capacity to handle changes and initiate new processes as directed. I have the aptitude to use critical thinking and assessment to solve problems. I am able to multi-task multiple jobs at one time, to meet customer's expectations. In this job, I was IFIA trained and certified as well as API compliance certified. I was a TWIC cardholder.

Jun 2004 to Feb 2010. Senior Marine Oil Inspector; Intertek-Caleb Brett, 4702 Westway, Corpus Christi, TX 78408; (361) 289-7474.

Duties included the inspection of oil in the Petrochemical Industry, and providing customers with high levels of precision measurements. I oversaw the loading, loading or transferring of cargo. Jun 1998 to May 2001. Flooring Sales Manager; The Home Depot, 5041 SPID, Corpus Christi, TX, 78411; (361) 994-1400.

I over-saw the flooring department that had a sales quota of \$1.3 million in weekly sales. I controlled and ordered stock for the department. I multi-tasked my responsibilities to meet, and many times exceed, the customers' expectations. I promptly handled customer complaints and problems, focusing instead on their needs. I effectively enforced company policies.

### Objective

I am seeking a career in management or administration where I can utilize my extensive knowledge, experience, skills, abilities and advanced education. Below I have listed my Professional Core Competencies that are adaptable to any career. I am available for immediate employment and willing to travel and relocate.

### Professional Core Competencies

- **Executive Experience**

I have been President of various companies that I have owned. In this role, I interacted with Executive Officers (Presidents and Vice President) of other companies I consulted and partnered with. In addition, I interacted with Contracting Officer Technical Representatives (COTRs), Administrators and Managers of various federal government agencies as a previous sub-contractor.

- **Leadership, Supervision and Management**

As an 11-year veteran of the U.S. Marine Corps, I learned and applied the principles of leadership that have made this military branch a success for 248 years. I have applied these leadership skills to the various Supervisory and Managerial positions I have held. In addition, I adapt my leadership skills to fit into a particular civilian work environment.

- **Investigator Experience**

I am a former Texas Department of Public Safety Investigator for its Compliance Review Program the regulates Commercial Motor Carriers. In this capacity, I attended and completed numerous Federal and State of Texas training courses for Investigator Certifications. These courses included FMCSA Interstate North American Standards Part A and Part B, Texas Intrastate Part C, TCIC/TLETS, General Hazardous Materials, Cargo Tank Inspections, Other Bulk Packaging, Investigator Compliance Review Investigations, and New Entrant Safety Audits. I conducted and assisted other investigators with the completion of Compliance Review Investigations and New Entrant Safety Audits. I also assisted in training new investigators and preparing them for the courses previously mentioned.

- **School Safety and Security Consultant**

Through the Texas State University's Texas School Safety Center, I was certified as a Consultant to assist school districts with compliance of Texas Senate Bill 3. This includes developing Emergency Operations Plans (EOPs), conducting Physical Security Inspections and Audits, and proper adaptation of the regulations to enhance campus safety and security.

- **Procedures and Protocol Development**

I have developed procedures and protocols to ensure compliance with State and Federal regulatory and statutory requirements. I review and analyze State or Federal regulations and statutes then draft and implement applicable procedures and protocols, which were then distributed to the workforce for either private contractors or public agencies. I use my skills in qualitative research (field work) to develop procedures and protocols.

- **University-Level Adjunct Faculty and Researcher**

Between 2009 and 2018, I was an Adjunct Faculty for the Criminal Justice Program, College of Liberal Arts at Texas A&M University-Corpus Christi. In this position, I created and taught criminal justice and security

operations courses to undergraduate students. I have completed the Ph.D. in Education, Curriculum & Instruction at Texas A&M University-Corpus Christi. I have taken advanced courses in Applied Statistics, Qualitative Research and Quantitative Research.

- **Contracts and Project Management**

I have experience in Contract and Project Management, specifically, in ensuring that projects are completed in a timely manner. This also includes developing Action Plans with assigned Objectives and Work Tasks. Also, I have tracked contracts' incoming revenues and expenditures and monitor them by using an excel spreadsheet format which I developed. I was involved in a couple of new contracts start-ups and was an active member of the Transition Teams tasked with ensuring that contracts were ready for operations within 60 days from award. I also have experience in breaking down a federal solicitation by section, gathering the necessary information to respond to the solicitation, writing proposals and submitting proposals to state or federal government agencies.

- **Grants Management**

As a former Programs Manager for two research entities at Texas A&M University-Corpus Christi, I managed over 30 local, state and federal grants awarded to each entity. This required me to interact with the Principal Investigators who were awarded the grants and ensured tracking of all incoming revenues and outgoing expenditures. I also assisted with conducting research, meeting with the public to complete surveys, analyzing survey results, writing and editing final reports, making presentations and keeping track of deliverables' due schedules.

- **Profit & Loss Responsibility and Budget Management**

As a former Manager and President for various private or public entities, I have had Profit & Loss (P&L) Responsibility. I have managed between \$200,000.00 and \$2,500,000.00 of an organization's funds. This required tracking all incoming revenues and expenditures, as well as operating within the established annual budgets. My Budget Management experience includes, keeping track of each budget's line items to ensure there is no overspending, the accuracy of applying an expense to the right line item and contract, and ensuring that invoices are submitted in a timely manner for prompt payments.

- **Security Operations, Management and Training**

My vast employment experience has been in Security Operations, Management and Training. I have managed security contracts in multiple cities in South Texas. This required that I travel each week to each contract site to meet with clients and employees. I have also supervised from 2 to over 160 employees, depending on the company I was working for. In addition, I have trained over 1,500 commissioned and non-commissioned security officers based on Texas Department of Public Safety's Private Security Rules and Regulations. And have provided training for security employees of other private companies as well. In addition, I also provided advanced firearms and security training that included Global Terrorism Awareness, Domestic Terrorism Awareness, Anti-Terrorism Planning, Active Shooter Incident Analysis, Tactical Firearms Skills Development, Personal Safety and Security Awareness, Counter-Surveillance Awareness, Situational Awareness, Crime Prevention, Site Security Planning, and other related topics of interest.

- **Personal Protection Team Development, Training & Deployment**

In 2019, I was asked by the Administrator of the Place of Worship which I attend to establish a Volunteer Security Team to improve the security posture of the property. I was able to get volunteers for the security team, and I wrote the Security Procedures and trained them for various emergency and active shooter scenarios. In addition, I have provided this Place of Worship with advanced Personal Safety and Security Training, as well as Active Shooter Awareness Training. I ensured compliance with Texas Senate Bill 2065.

- **Business Competitive Research**

Some of my former clients required information about their competitors. I would conduct the research, analyze the information and write Business Competitive Research Reports and Briefs for them. The information collected was from materials available Open Source. These Reports were then used by my clients for making future operational decisions.

- **Quality Assurance and Quality Control Inspections**

For some of my clients, I created Inspection Reports which I would use to ensure they adhered to their Quality Assurance and Quality Control Plans for their state and federal contracts. I would inspect detention facilities, guard force operations, dining facilities and transportation hubs. I also assisted with writing Quality Assurance and Quality Control Plans.

- **Regulatory Compliance Audits (State and Federal)**

I was hired by some of my clients to ensure that they were compliant with state and federal regulatory and statutory requirements. At the State level, I would conduct audits of all licenses held by their security personnel (over 1,000 licensed security officers) to ensure compliance with Texas Occupations Code 1702 and Administrative Rules. These were monthly and quarterly inspections that I would conduct. For one contract, I had to train over 400 commission and non-commissioned security officers, and at another contract, I had to ensure over 400 security officers were already properly trained and licensed. At the Federal level, I ensured that my clients were in compliance with DHS/ICE Performance-Based National Detention Standards (PBNDS) and American Correctional Association (ACA) Detention Standards. These audits were conducted daily, weekly, monthly and quarterly, and I would provide an Annual Summary Report to my clients as well.

**Education, Professional and/or Community Activity (Present)**

I moved to Corpus Christi, TX from rural NC in December 2021. I have Associate Degrees in Accounting and Business. My work experience is in the Banking profession in Accounting and Internal Audit. I left full-time employment in 1994 to focus on my family. I worked part-time in the office of a family owned electrical company from 1996-1998. After having another child, I left employment completely. I have experience as a caregiver and guardian to elderly relatives. I am not currently involved in the community.

**If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)**

**4-H Leadership:** 10+ years

Homeschooling our son for his entire education, 4-H was a vital resource in our education process. During this time, I served as a volunteer in various roles, including club leadership, summer camps, teaching parliamentary procedure, coaching poultry judging and avian bowl.

**Service within the homeschool Community:**

- Taught Co-op classes
- Coached Spelling Bee
- Volunteered at a summer camp for special needs children

**Public School:**

- Classroom volunteer - anything the teacher needed
- Organized lead volunteers for each classroom, including parties and social events

**Law Enforcement Appreciation Events:**

Served on committees organizing lunch, breakfast, and a drive-through event during Covid

**WORK EXPERIENCE**

**1983 - 1994:** Worked in banking in the areas of Accounting and Audit. I left employment to focus on my family, specifically our four-year old daughter.

**1996 -1998:** Worked part-time in a family electrical business during school hours until our son was born, at which time I left employment completely.
