Explanation: By Eddie Ortega, the Nueces County Community Action Agency (NCCAA) has Head Start Programs on these properties in which leases have expired. NCCAA does not have the financial resources to purchase the buildings nor property. The Director of Head Start, John Rodriguez, would like to renew leases at a nominal cost since they are providing a service to the community keeping in the spirit of past leases which were in-kind for property use. NCCAA is requesting a 10 year lease to be endorsed by the City and Council, bundling all properties into one lease.
