Heavy Equipment Rentals for Corpus Christi Water

CAPTION:

Motion authorizing execution of a two-year service agreement, with two one-year options, with United Rentals, Inc., of Stamford, Connecticut, with an office in Corpus Christi, in an amount up to \$3,000,000.00, with a potential up to \$6,000,000.00 if options are exercised, for heavy equipment rentals used by Corpus Christi Water, with FY 2026 funding of \$125,000.00 each from the Water and Wastewater Funds.

SUMMARY:

This motion authorizes a two-year service agreement for equipment rental for Corpus Christi Water. This equipment is necessary to maintain the City's water and wastewater infrastructure.

BACKGROUND AND FINDINGS:

Corpus Christi Water completes over 10,000 repair, maintenance, and construction activities per year, which may require equipment that is not in Corpus Christi Water's inventory. The equipment in this contract may be necessary to follow proper construction procedures in response to an emergency, to ensure staff safety, or to augment current equipment during periods of higher-than-normal workloads. Corpus Christi Water does not maintain an inventory of all equipment that may be needed at any given time due to

the limited use of larger or more specialized equipment.

PROCUREMENT DETAIL:

This procurement is conducted through Sourcewell Cooperative, ensuring that all contracts awarded through Sourcewell are procured through a competitive process in full compliance with Texas local and state procurement regulations.

The following table outlines a selection of rentals and their respective pricing. Procurement reached out to other cooperatives to conduct price comparisons and assess equipment availability.

Description	United Rentals			Herc (Omnia Partners)			Sunbelt (Omnia Partners)		
	Daily	Week	Month	Daily	Week	Month	Daily	Week	Month
Mini excavator 5000-6000 lbs.	\$194	\$556	\$1558	\$320	\$865	\$1895	\$295	\$775	\$1775
Truck dump, 12-14 yd auto DSL	\$711	\$1937	\$5116	\$740	\$2450	\$5511	\$1225.50	\$2907	\$6859.50
Tractor loader 60-90 HP	\$292	\$812	\$2068	\$360	\$995	\$2395	\$498.75	\$1261.80	\$2302.65

ALTERNATIVES:

An alternative is to not enter into a service agreement, which would require separate procurements on an as-needed basis, and increase the time delay due to procurement process which in turn would reduce the level of response, in some cases, emergency response to citizens.

FISCAL IMPACT:

The fiscal impact for Corpus Christi Water is \$250,000.00 from the Water and Wastewater Funds.

FUNDING DETAIL:

Fund: 4010 Water
Organization/Activity: 31010 Stevens Filter Plant
Department: 45 Water
Project # (CIP Only): N/A
Account: 530160 Rentals
Amount: \$85,000.00

Fund: 4010 Water
Organization/Activity: 31520 Treated Water Delivery System
