

FY 26 thru FY 28

Capital Improvement Plan

Corpus Christi, Texas

Project #	24129		
Project Name	Packery Channel Capital Repairs		
Contact	Dir of Planning & Economic Development Reconditioning-Asset Priority Level 3 25 years	Department	Economic Development
Type		Category	Reinvestment Zone 2
Priority		Status	Active
Useful Life		Council District	4

Description

The Packery Channel requires ongoing capital repairs including repairs to the jetties and revetments, dredging, and beach nourishment. This project will allocate funding annually in preparation for when these large projects are required to be completed.

Justification

Routine capital repairs are very important to keep the Packery Channel in good condition for tourists and citizens that visit.
