

information required by Subsection (c)(1) has been submitted, shall determine that the facility, device, or method described in the permit application or in the request for an exemption from a permit that would otherwise be required is used wholly or partly as a facility, device, or method for the control of air, water, or land pollution and shall take the action that is required by Subsection (d) in the event such a determination is made.

(i) A political subdivision of the state seeking an adjustment in its voter-approval tax rate under this section shall provide to its tax assessor a copy of the letter issued by the executive director of the Texas Commission on Environmental Quality under Subsection (d). The tax assessor shall accept the copy of the letter from the executive director as conclusive evidence that the facility, device, or method is used wholly or partly as pollution control property and shall adjust the voter-approval tax rate for the political subdivision as provided for by Subsection (a).

Sec. 26.05. TAX RATE. (a) The governing body of each taxing unit shall adopt a tax rate for the current tax year and shall notify the assessor for the taxing unit of the rate adopted. The governing body must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the taxing unit, except that the governing body must adopt a tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date prescribed by Section 41.001, Election Code, that occurs in November of that year. The tax rate consists of two components, each of which must be approved separately. The components are:

(1) for a taxing unit other than a school district, the rate that, if applied to the total taxable value, will impose the total amount described by Section 26.04(e)(3)(C), less any amount of additional sales and use tax revenue that will be used to pay debt service, or, for a school

district, the rate calculated under Section 44.004(c)(5)(A)(ii)(b), Education Code; and

(2) the rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the taxing unit for the next year.

(b) A taxing unit may not impose property taxes in any year until the governing body has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order, depending on the method prescribed by law for adoption of a law by the governing body. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. For a taxing unit other than a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. For a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the no-new-revenue maintenance and operations tax rate of the district as determined under Section 26.08(i) and the district's current debt rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate." If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the taxing unit that exceeds the amount of taxes imposed for that purpose in the preceding year, the taxing unit must:

(1) include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:

(A) the following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE."; and

(B) if the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."; and

(2) include on the home page of the Internet website of the taxing unit:

(A) the following statement: "(Insert name of taxing unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and

(B) if the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

(c) If the governing body of a taxing unit does not adopt a tax rate before the date required by Subsection (a), the tax rate for the taxing unit for that tax year is the lower of the no-new-revenue tax rate calculated for that tax year or the tax rate adopted by the taxing unit for the preceding tax year. A tax rate established by this subsection is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this subsection, the governing body of the taxing unit must ratify the applicable tax rate in the manner required by Subsection (b).

(d) The governing body of a taxing unit other than a school district may not adopt a tax rate that exceeds the lower of the voter-approval tax rate or the no-new-revenue tax rate calculated as provided by this chapter until the governing body has held a public hearing on the proposed tax rate and has otherwise complied with Section 26.06 and Section 26.065. The governing body of a taxing unit shall reduce a tax rate set by law or by vote of the electorate to the lower of the voter-approval tax rate or the no-new-revenue tax rate and may not adopt a higher rate unless it first complies with Section 26.06.

(d-1) The governing body of a taxing unit other than a school district may not hold a public hearing on a proposed tax rate or a public meeting to adopt a tax rate until the fifth day after the date the chief appraiser of each appraisal district in which the taxing unit participates has:

- (1) delivered the notice required by Section 26.04(e-2); and
- (2) complied with Section 26.17(f).

(d-2) Notwithstanding Subsection (a), the governing body of a taxing unit other than a school district may not adopt a tax rate until the chief appraiser of each appraisal district in which the taxing unit participates has complied with Subsection (d-1).

(e) A person who owns taxable property is entitled to an injunction restraining the collection of taxes by a taxing unit in which the property is taxable if the taxing unit has not complied with the requirements of this section or Section 26.04. It is a defense in an action for an injunction under this subsection that the failure to comply was in good faith. An action to enjoin the collection of taxes must be filed not later than the 15th day after the date the taxing unit adopts a tax rate. A property owner is not required to pay the taxes imposed by a taxing unit on the owner's property while an action filed by the property owner to enjoin the collection of taxes imposed by the taxing unit on the owner's property is pending. If the property owner pays the taxes and subsequently prevails in the action, the property owner is entitled to a refund of the taxes paid, together with reasonable attorney's fees and court costs. The property owner is not required to apply to the collector for the taxing unit to receive the refund.

(e-1) The governing body of a taxing unit that imposes an additional sales and use tax may not adopt the component of the tax rate of the taxing unit described by Subsection (a)(1) of this section until the chief financial officer or the auditor for the taxing unit submits to the governing body of the taxing unit a written certification that the amount of additional sales and use tax revenue that will be used to pay debt service has been deducted from the total amount described by Section 26.04(e)(3)(C) as required by Subsection (a)(1) of this section. The comptroller shall prescribe the form of the certification required by this subsection and the manner in which it is required to be submitted.

(f) Except as required by the law under which an obligation was created, the governing body may not apply any tax revenues generated by the rate described in Subsection (a)(1) of this section for any purpose other than the retirement of debt.

(g) Notwithstanding Subsection (a), the governing body of a school district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the school district if the chief appraiser of the appraisal district in which the school district participates has certified to the assessor for the school district an estimate of the taxable value of property in the school district as provided by Section 26.01(e). If a school district adopts a tax rate under this subsection, the no-new-revenue tax rate and the voter-approval tax rate of the district shall be calculated based on the certified estimate of taxable value.

Sec. 26.0501. LIMITATION ON TAX RATE OF DEFUNDING MUNICIPALITY. (a) In this section, "defunding municipality" means a municipality that is considered to be a defunding municipality for the current tax year under Chapter 109, Local Government Code.

(b) Notwithstanding any other provision of this chapter or other law, the governing body of a defunding municipality may not adopt a tax rate for the current tax year that exceeds the lesser of the defunding municipality's no-new-revenue tax rate or voter-approval tax rate for that tax year.
