# Summary & Background

---

A Community Health Needs Assessment identifies key health needs and issues through systematic, comprehensive data collection and analysis.

As part of the FY 2024 Budget, City Council approved Enhancement 4 – Community Health Needs Assessment, as submitted by the Corpus Christi – Nueces County Public Health District. The enhancement serves as the first step towards Public Health Accreditation, which is a multiyear process. As highlighted in the budget presentation, the required assessments will be contracted to professional agencies that are qualified to conduct the assessments.
