Education, Professional and/or Community Activity (Present)

I currently work as a Special Education coordinator for Corpus Christi Independent School District. I oversee the Regional Day School Program for the Deaf that serves students across the Coastal Bend, around 37 school district. I also oversee the Speech and Vision services programs and facilitate parent engagement and education for the whole school district regarding special education and disabilities. I am actively involved in the Deaf Community, but also have imbedded myself post-secondary transition for students with disabilities graduating from high school. I work collaboratively with local non-profit agencies that support accessibility for people with disabilities.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Committee for Persons with Disabilities

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on the Committee for Persons with Disabilities because I am a dedicated advocate for accessibility, safety, and autonomy for individuals with disabilities. I believe that when we remove barriers for people with disabilities, we foster a more inclusive, conscious, and equitable community for all. As a professional in Special Education, I work closely with administrators, general education teachers, parents, and campus staff to ensure they have the knowledge and tools to build accessible environments for students with disabilities. Too often, non-disabled individuals are unaware of the daily challenges faced by those navigating spaces not designed to meet their needs. My goal is to engage in intentional, informed advocacy that helps create a community that not only supports but champions accessibility and belonging.

Education, Professional and/or Community Activity (Present)

I graduated from college and earned certifications in real estate and film. As a Sales Consultant at Palm Harbor Homes, I help people move from difficult situations into better living conditions, which has strengthened my passion for supporting others. I'm also the founder of Ignite World, a nonprofit dedicated to fostering meaningful conversations through The Unspoken, a card game that encourages open dialogue on important social issues. My greatest strengths are listening, learning, and communicating with compassion. I'm committed to seeing things through and making a real impact. While I haven't worked extensively one-on-one with individuals with disabilities, I've been in situations where I've helped, and I'm eager to do more.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

N/A

Why are you interested in serving on a City board, commission or committee?

I want to join the Committee for Persons with Disabilities because I genuinely care about people and believe everyone deserves the opportunity to thrive, no matter their challenges. Growing up with a learning disability, I faced my own struggles, and I know firsthand how frustrating it can be to feel limited. Being part of this committee would give me the chance to advocate for others, help improve accessibility and resources, and ensure that people with disabilities in our community feel heard, supported, and empowered. It's something I'd find deeply fulfilling, and I'm excited about the opportunity to make a real difference.
