Mr. Jeff Edmonds, P.E.
Director of Engineering Services
c/o Chris Hale, P.E.
Engineering Project Manager
City of Corpus Christi
P.O. Box 9277
Corpus Christi, TX 78469-9277

**Subject: AWARD RECOMMENDATION
OLD ROBSTOWN ROAD (STATE HIGHWAY 44 TO LEOPARD STREET) E13098**

Dear Mr. Edmonds:

On March 26, 2017, bids were received and opened on the subject project. There were six (6) bidders, the three (3) lowest are as follows:

1. Haas-Anderson Construction, LTD.	\$ 5,461,830.25
2. JE Construction Services	\$ 5,703,787.05
3. Bay, LTD.	\$ 5,998,318.60

Proposals from the low bidders were checked for mathematical errors, and one summing error was found in JE Construction Services.

All three (3) of the lowest bidders, Haas-Anderson Construction, LTD., JE Construction Services, and Bay, LTD., submitted the information requested in SECTION 00 45 16 STATEMENT OF EXPERIENCE. The information supplied by the low bidder, Haas-Anderson Construction LTD., appears to be complete and in order as follows:

- All key Project personnel have at least 5 years of experience in their respective positions.
- provided information which demonstrates their ability to successfully complete projects of similar size and complexity to this project.
- provided information which demonstrates they have an acceptable safety record.
- provided information which demonstrates their ability to provide subcontracting opportunities for MBE, minority, and DBE participation in the project.

The information supplied by the second lowest bidder, JE Construction Services, appears to be complete and in order as follows:

- All key Project personnel have at least 5 years of experience in their respective positions.
- provided information which demonstrates their ability to successfully complete projects of similar size and complexity to this project.
- provided information which demonstrates they have an acceptable safety record.

- Noted their willingness to provide subcontracting opportunities for MBE, minority, and DBE participation in the project.

Our most recent past project experience working with Haas-Anderson on the Doddridge Street Improvements project for the City of Corpus Christi has been very positive and Haas-Anderson delivered a very high quality product for the City. Thus, we recommend Haas-Anderson Construction, LTD. for consideration of award of the contract for the reconstruction of Old Robstown Road Project.

Sincerely,

CH2M HILL Engineers, Inc.
TBPE Firm No. F-3699

Martin Timmerman, P.E.
