Supporting documents: **(The application is incomplete unless the following documents are included.)**

Mark the applicable box as the corresponding document is included with the application.

- A current resolution authorizing application for funds and vesting an official with full authority to act for purposes of the program.
- A Texas Department of Transportation county map upon which are delineated the public beaches to be cleaned and the linear feet of beach therein.
- A site plan of applicant's beach park which meets the minimum requirements established by the state.
- A certified copy of documentation establishing a beach park board or like body.
- A current written statement attesting that the maintenance to be provided is consistent with the applicant's community adopted plan for Beach Access and Dune Protection.
- A current written statement acknowledging that compliance with the regulations for collection and expenditure of beach user fees, contained in Section 15.8 of the state's beach access and dune protection regulations, is a requirement of the program.
- A current written statement that the applicant will supply an adequate number of garbage and litter receptacles for that area of the beach which the applicant cleans and maintains in this program. Receptacles for recyclables are suggested, but not required.
- A current list, adopted by the governing body, of the equipment rates to be charged per hour or per day which also indicates whether with or without operator.
- A current beach-cleaning proposal describing the cleaning and maintenance operations at the beach.
