

Construction Change Order: O.N. Stevens Water Treatment Plant Pre-Sedimentation Basin Dredging Project

Nicholas Winkelmann, P.E.

Director of Water Systems and Support Services

December 3, 2024

Current Project

- **GFL Environmental Services USA, Inc., is currently completing the dredging project for the pre-sedimentation basin located at O.N. Stevens Water Treatment Plant (ONSWTP)**
 - **Notice to proceed issued May 6, 2024**
- **Contractor is performing well and will complete the project ahead of schedule**

Project Location

Change Order Request

- **Authorizes additional funding to dredge, dewater, haul and dispose of 11,000-18,000 dry tons of accumulated solids within lagoons five and six at ONSWTP**
- **Dredging lagoons five and six will maximize water storage capacity, provide optimal pretreatment solids settling, and allow for operational flexibility**
- **This additional work is required until a solids handling facility is designed and constructed, which is the planned permanent solution for the removal of sludge and settled solids at ONSWTP**
- **Change Order No. 1 doesn't add any additional calendar days to the construction contract**
 - **Anticipated substantial completion date of the project is September 2025**

Staff Recommendation

- **Staff recommends approval of Change Order No. 1 in an amount of \$5,000,000.00 for the ONSWTP Pre-sedimentation Basin Dredging Project with GFL Environmental Services USA, Inc.**
- **Change Order No. 1 will increase contract capacity to dredge, dewater, haul and dispose of 11,000-18,000 dry tons of accumulated solids within lagoons five and six**
- **Funding is budgeted in FY 2025 CIP: project 18130**

The top half of the slide features four horizontal, wavy bands of varying shades of blue, creating a sense of movement and depth. The colors range from a light cyan to a deeper, more saturated blue.

Thank you!

The logo for Corpus Christi Water (CCW) features the letters 'CCW' in a bold, blue, sans-serif font. The letters are filled with a wavy pattern of blue and cyan, matching the decorative elements at the top of the slide.
