

Resolution ratifying one year contract extensions effective as of May 15, 2016, and authorizing the City Manager or designee to execute one year extensions to the service agreements with Unique Employment Services, Advance'd Temporaries, Inc., JAT Partners, LLC dba Remedy Intelligent Staffing, and Express Employment Professionals to continue the provision of temporary staffing services, for a total expenditure not to exceed \$9,057,000 of which approximately \$3,773,750 is required for the remainder of this fiscal year.

WHEREAS, on February 28, 2012, staff inadvertently proposed that City Council approve temporary staffing service agreements (each for a term of two years) with options to extend for up to two additional one-year periods instead of including options to extend for up to three additional one-year periods, as was specified in both the solicitation and agreements signed by Unique Employment Services, Advance'd Temporaries, Inc., JAT Partners, LLC doing business as Remedy Intelligent Staffing, and Express Employment Professionals (collectively, the "Contractors");

WHEREAS, the term of the third one-year extension will extend the Contractors' respective services agreements from May 15, 2016, through May 14, 2017;

WHEREAS, the Contractors agree to be bound by the same terms and conditions specified in the existing service agreements made effective on May 15, 2012;

WHEREAS, bid solicitations have been created to establish new temporary staffing service agreements; however, the Human Resources Department ("HR") is currently in the process of transitioning to an in-house temporary staffing services program to hire temporary workers as City temporary employees to fulfill this need, as the in-house program will be more cost effective than procuring new multi-year service agreements with staffing agencies; and

WHEREAS, the one-year term extensions to the existing agreements will allow sufficient time for HR to make the transition to the new in-house program.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

The City Council ratifies one-year contract extensions effective as of May 15, 2016, and authorizes the City Manager or designee to execute one-year extensions to the existing staffing service agreements with Unique Employment Services, Advance'd Temporaries, Inc., JAT Partners, LLC, doing business as Remedy Intelligent Staffing, and Express Employment, all of Corpus Christi, Texas, to continue providing temporary staffing services in accordance with the same terms and conditions in each respective service agreement made effective on May 15, 2012, for a total expenditure not to exceed \$9,057,000 of which approximately \$3,773,750 is required for the remainder of this fiscal year.
