

STATUTORY EXEMPTION FORM

Procurement Detail

Department: Water Utilities Date: 10/30/24
Estimated Cost: 2,067,092.75
Urgency: High

Exemption Type

Type: Sole Source

Note: Emergency Procurements do not require a statutory exemption form, please use an emergency memo

Exemption Justification

Narrative: The O. N. Stevens Water Treatment Plant, River PS, Sand Dollar PS, Bloomington PS, Woodsboro PS and Wesley Seale Dam are equipped with alternate generator sets manufactured by Cummins Southern Plains. The generator sets are crucial for emergency power to keep the water system operational during outages. Cummins Southern Plains, LLC is the only factory certified service and warranty distributor for Cummins Power Generation products in Texas and Oklahoma and have the software to troubleshoot and diagnose proprietary generator controls and generator engines. Service technicians based in Corpus Christi have been servicing existing generators at CCW facilities.

Corpus Christi Water

To Whom It May Concern:

Cummins Southern Plains, LLC is the only factory certified service and warranty distributor for Cummins Power Generation products in Texas and Oklahoma. We are also the only distributor within TX and OK to have the necessary Cummins IN-Power software to troubleshoot and diagnose generator controls and generator engines.

We operate ten power generation and engine service locations throughout Texas and Oklahoma, as well as an extensive fleet of field service vehicles to ensure that when you need us, we're never too far away. Our mobile technician forces (90+) are equipped with advanced diagnostic tools and equipment that enables them to troubleshoot problems and perform repairs accurately and efficiently. Our factory certified and highly trained technicians are provided with advanced training to make sure they can meet all your service needs.

Cummins Southern Plains recognizes the critical nature of your power generation equipment and has 24/7/365 live operator support available for rapid emergency response.

Our power generation service includes both preventative maintenance and onsite service. We service diesel, natural gas, and propane powered generators. Every service location and field service truck maintains inventory of genuine Cummins new and ReCon® parts, and has access to virtually every part for over 8 million Cummins generators and engines. Plus, every job is fully warranted and backed by the largest authorized service network worldwide.

If you have any questions please do not hesitate to contact me at 210-394-5610 mobile, or via email at Robert.walkup@cummins.com.

Sincerely,
