

City of Corpus Christi Municipal Communication Studio Facility Renovation

Council Presentation
October 20, 2015

Project Location

Project Layout

Project Scope

Project includes:

- Renovation of approximately 2,500 square feet of office space
- Selective demolition of interior partitions.
- The relocation and re-sloping of an existing roof drain leader.
- The construction of new interior partitions.
- Installation of specialized acoustical treatment.
- Installation of a studio lighting pipe grid structure.
- Installation of specialized finishes and cabinetry – including wood paneling, painting, and field fabricated acoustical treatment.
- Infrastructure for cabling and controls for the studio and control room equipment. Actual cabling and installation of equipment will be by others and not a part of this Construction Contract.
