

City Committee for People With Disabilities

Accessibility Subcommittee – Report for the Month of July

RESULTS OF ACCESSIBLE PRIORITIES SURVEY

Committee Members Who Completed the Survey:

- Alejandro Benavides
- Sonya Durrwachter
- Sandra Flores
- Michelle Jones
- Aliza Long
- Imelda Trevino

Which of the following items do you think should be a priority for review by the Accessibility Subcommittee? (Number in **bold** = Number of respondents who chose this item)

- **6** - Accessibility of City owned facilities that are open to the public (airport, libraries, senior centers, etc)
- **5** - Development of inclusive programs in collaboration with City departments
- **5** - General mobility via sidewalks, crosswalks, and public transportation
- **4** - Accessibility of City owned green spaces & parks
- **3** - ADA compliance at privately owned facilities and parking lots open to the public
- **2** - Ensuring public announcements be made more accessible

Other ideas:

- Changing Station at Airport
- Communication Boards at Parks
- Public Announcements be made accessible in visual and language formats
