

Resolution authorizing a professional services contract with Richter Architects of Corpus Christi Texas to provide design for the Coopers Boat Facility and to Perform Construction Management Improvements for Facility and Parking Lot Resurfacing at the L Head (Pier) in an amount not to exceed \$342,047.00, with FY 2023 funding available from the Seawall Fund

WHEREAS, on November 7, 2000, residents of the City of Corpus Christi (“City”) passed Proposition 4, Seawall Improvement, which authorized the adoption of a sales and use tax for the promotion and development improvements to the downtown seawall and for maintenance and operating costs of said seawall improvements for the life thereof to be imposed for 25 years;

WHEREAS, the 1/8th cent sales tax authorized by passage of Proposition 4 was subsequently enacted by the City Council and filed with the State Comptroller of Texas, effective April 1, 2001, to be administered by the Corpus Christi Business and Job Development Corporation Board (“Board”);

WHEREAS, the Board has determined that it is in the best interest of the citizens of the City that Seawall improvement funds be used to pay for a certain public improvement, namely the Coopers Boat Facility and Parking Lot Resurfacing at the L Head at the City’s Municipal Marina (the “Marina”);

WHEREAS, the Project is consistent with the purposes for which the Seawall Improvement Fund was created and approved by the voters of the City;

WHEREAS, the Marina is an integral part of the seawall complex that enhances the tourism or economic development value thereof;

WHEREAS, the Coopers Boat Facility and Parking Lot Resurfacing at the L Head will serve to beautify the seawall complex, increase safety, and eliminate an impediment to the commercial use of the Marina, thereby enhancing the value of the seawall as a facility that promotes new or expanded business development;

WHEREAS, the Marina was constructed as part of the original seawall project, connects directly to the seawall, and is surrounded by seawall improvements, including the Seawall breakwaters;

WHEREAS, the Marina is part of the downtown seawall and was included in seawall improvement project at the time that Proposition 4 was approved by voters; and

WHEREAS, the Coopers Boat Facility and Parking Lot Resurfacing at the L Head is a Seawall improvement for purposes of the Seawall Improvement sales tax approved by the City’s voters.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or designee, is authorized to execute all documents necessary to secure a professional services contract with Richter Architects of Corpus Christi Texas to provide design for the Coopers Boat Facility and Parking Lot Resurfacing at the L Head in an amount not to exceed \$342,047.00.
