

GOVERNOR GREG ABBOTT

December 30, 2024

Mr. Peter Zanoni  
City Manager  
City of Corpus Christi  
1201 Leopard Street  
Corpus Christi, Texas 78401

Dear Mr. Zanoni:

I am pleased to announce that the Texas Military Preparedness Commission in my office voted to award the city of Corpus Christi a Defense Economic Adjustment Assistance Grant (DEAAG) in the amount of \$330,000.00 for the Condensate Return Station Replacement in support of Corpus Christi Army Depot.

The State of Texas places a high value on military installations and the defense communities that support them. The 15 military installations in Texas, along with Army Futures Command, have an impact of over \$151 billion on the Texas economy. We look forward to watching this project develop and we will continue to support the U.S. Army as an instrumental part of the military community in Texas.

Please reply to this correspondence with a letter, sent to Keith Graf, Executive Director of the Texas Military Preparedness Commission (TMPC), informing my office whether the City of Corpus Christi accepts or rejects the grant award. If the City of Corpus Christi accepts the grant award, TMPC staff will work with your designated point of contact to begin processing the grant award and executing an agreement detailing the grant's required terms and conditions.

Thank you for supporting your local military installation.

Sincerely,

Greg Abbott  
Governor

GA:kgd
