

Resolution approving the FY2027-2031 Rapid Pavement Program as proposed by the Public Works Department that includes a list of local, collector and arterial streets that are planned for street reconstruction utilizing a pavement only approach.

WHEREAS, on October 27, 2020, the Public Works Department of the City of Corpus Christi presented City Council with a five-year Infrastructure Management Plan (IMP).

WHEREAS, on April 18, 2023, the City Council approved a Resolution amending the FY2020-2025 IMP Plan to allow Staff to move forward with a pavement only approach on the streets included in the IMP Plan. The New IMP scope of work will consist of mill and overlay with base repairs where required.

WHEREAS, the Public Works Department has determined that in order to rehabilitate more residential streets in the City, they need to continue the Rapid Pavement Program with a pavement only approach on the streets listed.

WHEREAS, any and all reconstruction of streets in the Rapid Pavement Program is dependent on funding in the annual budget.

Be it resolved by the City Council of the City of Corpus Christi, Texas, that:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes.

Section 2. The City Council hereby adopts the FY2027-2031 Rapid Pavement Program which is attached hereto and incorporated herein as Exhibit "A."

PASSED and APPROVED on the _____ day of _____, 2025.

ATTEST:

Paulette Guajardo, Mayor

Rebecca Huerta, City Secretary
