Amendment to the Permanent Art Trust Fund

CAPTION:

Ordinance amending the code of ordinances, City of Corpus Christi, Chapter 2 regarding Arts and Cultural Commission duties and the permanent art trust fund.

PURPOSE:

Update ordinance to reflect current duties of the Arts and Cultural Commission and clarify terms. Expand the uses of funds deposited to the Permanent Art Trust Fund to include selection, purchase, commissioning, placement, installation, exhibition, display, deaccessioning and conservation of permanent works of art.

BACKGROUND AND FINDINGS:

When the Permanent Art Trust Fund ordinance was established in 1982 there were only 8 works of art in the city's public art collection. The purpose of the ordinance was to provide a funding mechanism for the acquisition of permanent works of art for the city's collection. Through this funding process and the Public Art Program ordinance approved in 1987 the city's public art collection has increased to seventy-eight (78) works of art. The amendment to the permanent art trust fund ordinance will help to address the funding needs of a larger and older public art collection, as well as lays a foundation for future acquisitions.
