<p style="text-align: center;"><u>Professional Services Contract Amendment No. 4</u> Laguna Shores Road (Hustlin' Hornet Drive to Caribbean Drive) (Bond 2018, Proposition A)</p>
--

CAPTION:

Motion authorizing Amendment No. 4 to LJA Engineering, Corpus Christi, Texas, to provide additional professional services for environmental permitting, mitigation plan development, stakeholder coordination and construction phase services related to the nearby Laguna Shores road construction project, in an amount of \$96,055.00 for a total contract amount of \$907,140.00, located in City Council District 4, with funding available from Bond 2018, Proposition A Fund.

SUMMARY:

This motion authorizes Amendment No. 4 to a professional services contract to provide additional professional services for environmental permitting, mitigation plan development, stakeholder coordination and construction phase services at Laguna Shores Road - Segment 2, Hustlin Hornet Drive to Caribbean Drive.

BACKGROUND AND PURPOSE:

Laguna Shores Road from Hustlin' Hornet Drive to Caribbean Drive is a BOND 2018, Proposition A project. The roadway is currently under construction. The surrounding areas of the project include Redhead Pond (protected wildlife management area) and the Laguna Madre.

The environmental permit needed for the roadway construction is currently in the final stages of review by United States Army Corps of Engineers (USACE). The environmental permit package and the mitigation plans had to be modified several times due to the USACE requirements. The permit will be approved by USACE after the submission of the revised permit package.

This contract amendment provides additional professional services to prepare and submit the final package for environmental permits, mitigation plan development and coordinate with the stakeholder. The amendment also provides additional construction phase services that will be needed for the roadway construction.

PROJECT TIMELINE:

The amendment does not delay the Laguna Shores Road construction schedule.

ALTERNATIVES:

Any alternative will delay the project and compromise the required efforts for environmental permitting and the CMP grant.

FISCAL IMPACT:

The fiscal impact for FY 2021 is an amount of \$96,055.00 with funding available from the Bond 2018 Street Proposition A Fund.

FUNDING DETAIL:

The project is funded by Bond 2018. The Capital Improvement Program (CIP) shows the project was planned for FY 2020 and construction began in FY 2020. This amendment does not impact the construction project and can proceed as scheduled.

Fund:	Street Bond 2018, Proposition A (Fund 3556)
Mission Elem:	Street Pavement Maintenance (051)
Project No.:	Laguna Shores Rd - Hustlin' Hornet Dr to Caribbean Dr (18024A)
Account:	Outside Consultants (550950)
Activity:	18024-A-3556-EXP
Amount:	\$96,055.00

RECOMMENDATION:

Staff recommends authorizing Amendment No. 4 to LJA Engineering in the amount of \$96,055.00 for a total contract value not to exceed \$907,140.00.
