

Resolution authorizing execution of a new master agreement and Amendment No. 1 with Environmental Systems Research Institute, Inc. (ESRI), of Redlands, California, for software licensing and support of the City’s geographic information system (GIS) for a three-year, auto-renewable term in the amount of \$750,000.00, with FY 2024 funding of \$250,000.00 from the Information Technology Fund.

WHEREAS, ESRI products are used to support the City’s GIS data used by Corpus Christi Water, Gas, Engineering, Public Safety, Development Services, and other departments in addition to the City’s Emergency Operations Center; and execution of a new master agreement and Amendment No. 1 to the existing enterprise agreement are necessary to provide for the continued accurate and efficient delivery of City services;

WHEREAS, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exemption applies;

WHEREAS, there is a statutory exemption for this procurement in Local Government Code, Section 252.022(a)(2), as this purchase is necessary to preserve or protect the public health or safety of the City’s residents; and

WHEREAS, there is also a statutory exception for this procurement in Local Government Code, Section 252.022(a)(7)(A), as this purchase is available from only one source due to patents, copyrights, secret processes, or natural monopolies.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or his designee, is authorized to execute a new master service agreement and Amendment No. 1 to the existing enterprise agreement with Environmental Systems Research Institute, Inc., for a three-year, auto-renewable term to provide licensing and support for \$750,000.00, with FY 2024 funding of \$250,000.00 from the Information Technology Fund.

PASSED and APPROVED on the _____ day of _____, 2023.
