Mr. J. H. Edmonds, P.E.  
Director of Engineering Services  
City of Corpus Christi  
PO Box 9277  
Corpus Christi, Texas 78469-9277

Reference: S. ALAMEDA STREET FROM AYERS STREET TO LOUISIANA BOND 2012, PROJECT NO. E12091

Dear Mr. Edmonds:

HDR Engineering has reviewed and tabulated the bids for the referenced project. There were three bidders for the project; Clark Pipeline Services, Haas-Anderson Construction, Ltd, and Bay Ltd. Clark Pipeline Services was the apparent low bidder, with the following bids:

- Base Bid 1 (Rigid Pavement) = NO BID
- Base Bid 2 (Flexible Pavement) = \$4,996,832.79

As stated above, Clark Pipeline Services did not submit a bid for Base Bid 1, which was not a requirement to bid on the subject project, and the low bid was for Flexible HMAC Pavement.

CPC Interests, LLC Db a Clark Pipeline Services personnel have the requisite experience and performed similar type work on previous City contracts. They are familiar with the processes and procedures of this contract.

HDR recommends that the contract be awarded to CPC Interests, LLC Db a Clark Pipeline Services, for Base Bid 2 – Flexible HMAC Pavement, in the total amount of \$4,996,832.79 provided that funds are available.

If you have any questions, please contact our office (361) 696-3300.

Sincerely,  
HDR Engineering, Inc.

Anthony Gavlik, P.E.  
Project Manager
