### Background:

The subject property is a 12.55-acre undeveloped parcel out of an 80-acre parent and unplatted tract slated to be developed as a medium-density residential subdivision. The parcel is located along the south side of Woolridge Road, west of Oso Parkway, and east of Rodd Field Road and Victoria Park Drive.

The property to the north of the subject parcel is zoned "FR" Farm Rural District with a current land use of Public/Semi-Public and Low-Density Residential. To the south is the "RS-4.5" Single-Family (the densest of the medium-density residential districts), Victoria Park subdivision with current land uses of medium-density residential. A park out of the Lost Vientos at Terra Mar subdivision, abuts the parcel immediately to the east. To the west is the remainder of the larger tract.

The applicant is requesting a change of zoning to allow denser residential subdivision. The "RS-4.5" Single-Family 4.5 District permits single-family detached houses and group homes. A

limited number of public and civic uses are allowed, subject to the restrictions necessary to preserve and protect the single-family character of the neighborhood.

**Plan CC (City of Corpus Christi Comprehensive Plan) Consistency:**

The proposed rezoning is consistent with the following Elements, Goals and Strategies for Decision Makers:

- Housing and Neighborhoods:
  - New cost-effective residential subdivisions are established in high-growth corridors to support the demand for new housing.
- Future Land Use, Zoning, and Urban Design
  - Corpus Christi development patterns support efficient and cost-effective use of resources and a high quality of life.
    - Encourage the protection and enhancement of residential neighborhoods.
    - Encourage orderly growth of new residential, commercial, and industrial areas.
    - Promote a balanced mix of land uses to accommodate continuous growth and promote the proper location of land uses based on compatibility, locational needs, and characteristics of each use.
  - Corpus Christi has well-designed neighborhoods and environments.
    - Encourage residential infill development on vacant lots within or adjacent to existing neighborhoods.

**Southside ADP (Area Development Plan) and FLUM (Future Land Use Map) Consistency:**

The proposed rezoning is consistent with the Southside ADP and the future land use designation of Medium-Density Residential.

**Staff Analysis:**

Staff reviewed the subject property's background information and the applicant's purpose for the rezoning request and conducted research into the property's land development history to include platting, zoning, existing surrounding land uses, and potential code violations. Staff compared the proposed zoning's consistency with the applicable elements of the comprehensive plan. As a result of the above analysis, staff notes the following:

- The rezoning request is consistent with the City of Corpus Christi Comprehensive plan and the future land use designation of the Medium-Density Residential.
- The proposed request is compatible with the present zoning districts and conforming uses of nearby properties and to the character of the surrounding area.
  - Woolridge Road is lined primarily with medium-density residential developments with, followed by modest low-density residential uses, and public/semi-public uses, which are all compatible with the applicant's proposed zoning district. This pattern is consistent between Holly Road and the Oso and Oso Parkway, east of Rodd Field Road, and although less prominent, is also particular to the west of Rodd Field Road.
- The property to be rezoned is suitable for uses permitted by the zoning district that would be applied by the proposed amendment. The applicant's request, if approved, will not have a negative impact upon the surrounding neighborhood.

**Planning Commission and Staff Recommendation (October 29, 2025):**

After evaluation of case materials provided and subsequent staff analysis including land development, surrounding uses and zoning, transportation and circulation, utilities, Comprehensive Plan consistency, and considering public input, Planning Commission and Staff recommend approval of the change of zoning from the “FR” Farm Rural District to the “RS-4.5” Single-Family 4.5 District.

### PUBLIC HEARING NOTICE PLANNING COMMISSION REZONING CASE No. ZN8874

Pasadena Land Holdings, Inc. has petitioned the City of Corpus Christi to consider a change of zoning from the "FR" Farm Rural District to the "RS-4.5" Single-Family 4.5 District, not resulting in a change to the Future Land Use Map. The property to be rezoned is described as:

A property located at or near 7801 Wooldridge, being a 12.55-acre tract of land, as established by metes and bounds, described as a portion of Lots 21 through Lot 24 of the Flour Bluff and Encinal Farm and Garden Tract, located along the north side of Calgary Drive, south of Wooldridge Road, east of Victoria Park Drive, southeast of Ennis Joslin Road, and west of Oso Parkway. See map on the reverse side.

The Planning Commission will conduct a public hearing to discuss and formulate a recommendation to the City Council. The public hearing will be held on Wednesday, October 29, 2025, during one of the Planning Commission's regular meetings, which begins at 05:30 p.m. The hearing will be held in the City Council Chambers, 1201 Leopard Street. You are invited to attend this public hearing to express your views on this rezoning.

The Planning Commission may recommend to the City Council approval, or denial, or approval of an intermediate zoning classification, and/or Special Permit. Approval of a change of zoning, if inconsistent with the City's Comprehensive Plan, will also have the effect of amending the Comprehensive Plan to reflect the approved zoning. For more information, please call (361) 826-3240.

*Persons with disabilities planning to attend this meeting, who may require special services, are requested to contact the City Secretary's Office at least 48 hours in advance at 361-826-3105.*

*Si usted desea dirigirse al Consejo de Ajuste y su inglés es limitado, habrá un interprete en la junta para ayudarle. Para más información, favor de llamar al Departamento de Servicios de Desarrollo (361) 826-3240.*

NOTE: In accordance with the Planning Commission By-Laws, no discussion shall be held by a member or members of this Commission with an applicant or appellant concerning an application or appeal, either at home or office, or in person, by telephone call or by letter.
