**BACKGROUND:**

Chapter 327 of the Texas Tax Code allows for use of sales tax to maintain and repair municipal streets and/or sidewalks existing on the date of the election to adopt the tax. The tax cannot be used to construct new streets or sidewalks. The voters can authorize the tax through an election for up to a four-year period. The tax may be reauthorized for an additional four year periods by election. Funds will be held separately from the General Fund and are under control of the City Council and not a separate board like Type A/B Sales Tax.
