

Resolution authorizing a service agreement with Fountain-Works, LLC of Pearland, Texas in an amount not to exceed \$61,759.25 to repair the UV system, filtration and chlorinator on the fountain located at the bayfront, effective upon issuance of notice to proceed, with the funding available through the Seawall Capital Fund.

WHEREAS, this item is for repairs to the filtration and chlorinator on the fountain located at the bayfront;

WHEREAS, the fountain is used by residents and visitors to the City, including children, who play in the water;

WHEREAS, repairs are needed to ensure the safety and sanitary operation of the fountain;

WHEREAS, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exception applies; and

WHEREAS, there is a statutory exception for this procurement in Local Government Code, Section 252.022(a) (2), as this purchase is necessary to preserve or protect the public health and safety of the municipality's residents.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or designee, is authorized to execute all documents necessary to secure a service agreement with Fountain-Works, LLC to provide repair services to the fountain located in the bayfront.
