

APPLICATION FOR TAX ABATEMENT

This application should be filed prior to the beginning of construction or the installation of improvements. The filing of this document acknowledges familiarity and conformance with Guidelines and Criteria for Granting Tax Abatement. This application will become part of the Tax Abatement Agreement and any knowingly false representations will be grounds for terminating the Agreement. This Application should be submitted to the City Manager, City Hall, 1201 Leopard, P.O. Box 9277, Corpus Christi, Texas 78469 (for properties inside the City limits) and to the County Judge, Nueces County Courthouse, 901 Leopard Street, Corpus Christi, Texas 78401 (for properties in unincorporated areas).

FOUR COPIES OF THE APPLICATION SHOULD BE FILED WITH THE APPROPRIATE GOVERNMENTAL UNIT.

INSTRUCTIONS

Applicants and projects must meet the requirements established by the Guidelines and Criteria in order to receive positive consideration. Section 2 of the Guidelines, for example, sets out regulations governing eligible facilities, eligible and ineligible improvements, terms and economic qualifications. Conformance with all sections is required for eligibility.

APPLICATION INFORMATION

The taxing unit may consider Applicant's financial capacity in determining whether to enter into an abatement agreement. Established companies for which public information is available, or the wholly-owned businesses of such companies, should attach a statement showing when the company was established, business references (name, contact and telephone number of principal bank, accountant and attorney) and may be required to submit an audited financial statement and business plan.

PROJECT INFORMATION

Only facilities listed in the Guidelines may receive abatement without applying for a variance. Check the definitions in the Guidelines to see if your project qualifies. If the project is a Basic Manufacturing or Service Industry or a Regional Distribution Center, the Application should include market studies, business plans or other materials demonstrating that the facility is intended to serve a market the majority of which is outside of the Nueces County region.

ECONOMIC INFORMATION

Permanent Employment Estimates – In estimating permanent employment, include the total number of jobs (using Full Time Equivalents) created at this site by your firm as well as known permanent jobs of service contractors required for operation.

Estimated Appraised Value on Site – The value January 1 preceding abatement should be the value established by the Nueces County Appraisal District. If the Applicant must estimate value because the taxable value is not known or is combined with our properties under a single tax account, please so state. To qualify, the abated properties must meet the criteria outlined in the Tax Abatement Policy. Projections of value should be a "best estimate" based on taxability in Texas.
