

TRANSPORTATION ADVISORY COMMISSION

BOARD DETAILS

OVERVIEW

SIZE 9 Seats

TERM LENGTH 3 Years

TERM LIMIT 6 Years

The Transportation Advisory Commission is responsible for providing a public forum for the discussion of proposed ordinances or actions relating to traffic operations and transportation planning matters; advise the City Council and City Manager or designee on traffic regulations and Chapter 53 – TRAFFIC of the Corpus Christi Municipal Code; conduct any required public hearing for the purposes of obtaining federal and state financial assistance for proposed transportation improvement projects (the substance of any comments and review by the Transportation Advisory Commission will be summarized for City Council); independently review grant applications for transportation improvement projects; promote public knowledge of traffic enforcement and understanding of City transportation issues; promote public acceptance of transportation programs that are proposed or initiated by the City and provide advice on regional transportation issues; provide recommendations on mobility, access management, and traffic safety issues for the City's multi-modal transportation system; provide recommendations on transportation aspects of the City's Capital Improvements Program; monitor the implementation and evaluate the City's mobility-related master plans; submit annual reports to the Planning Commission and City Council; independently review traffic safety reports for City streets and provide recommendations for traffic safety-related improvements; research, develop, analyze, evaluate, and implement coordinated traffic safety and transportation programs which meet local needs; independently review the decisions, orders, and warrants of the City Traffic Engineer concerning installation of traffic control devices, establishment of traffic regulations and hear citizen comments concerning these matters; act on access management issues in the City's Unified Development Code and make recommendations on traffic impact analysis as per the Unified Development Code to the Planning Commission and City Council.

DETAILS

COMPOSITION

Nine (9) residents of the City appointed by the City Council for three-year terms. At least one (1) member shall be a representative of the bicycling community. The terms of three (3) members shall expire on May 1st of each year. The Commission elects a Chairman and Vice-Chairman annually at the first regular meeting following the annual appointments in May. The City Manager or designee may recommend for appointment ex-officio members. The Commission is authorized to appoint, as ex-officio members without voting privileges, any additional members.

CREATION / AUTHORITY

Section 2-120, Code of Ordinances. Ordinance No. 3679, 3-3-54; amended by Ord. Nos. 6577, 10079, 10912, 11841, 17526, 20294 - 5-3-88; amended by Ordinance No. 30474, 4/14/15.

MEETS

4th Monday of every month, 2:30 p.m., City Hall, Council Chambers

TERM DETAILS

Three-year terms.

Verification

City Code Requirement - As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. Also, City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information - I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

☒ I Agree

Oath - I swear that all of the statements included in my application and attached documents, if any, are true and correct.

☒ I Agree

Work Experience

October 2012-Present: Sikorsky Aircraft Operations Manager: Responsible for the coordination of the Materials, Technical support and Engineering teams for Sikorsky Aircraft's Technical, Engineering, Logistics Support and Services (TELSS) contract with Army Material Command for the Corpus Christi Army Depot(CCAD). Assists the CCAD Program Manager in managing all business activities associated with the Technical, Engineering, and Logistic goals in accordance with established metrics for the H-60 components and airframes contracted for the partnership. I assist in the management of process improvement, production material and material support services, information technology, and warehousing activities for the program. I work closely with the Program Manager and the Material Planning and Control Manager on all aspects of the TELSS contract, from contract award to the end of the contract period of performance, encompassing the coordination and/or support of the Program Operating Plan, Program Implementation Plan, and Program Execution Plan.

Other responsibilities include:

- Management of the day-to-day operations for the Sikorsky on-site teams.
- Coordination and monitoring the work of the departments involved in production, warehousing, and distribution.
- Participate in all CCAD Operations / Production meetings.
- Actively manage all (Sikorsky on site) Facility, Manpower, Production Systems, Production Scheduling, and Production Performance initiatives as they pertain to the execution of this contract and its schedules.
- Actively manage daily Sikorsky production operations meeting to identify material shortages and aircraft status
- Contribute to short and long-term organizational planning and strategy as a member of the program management team
- Manage and increase the effectiveness and efficiency of support services through improvements to each function as well as coordination between support and business functions

February 2010-October 2012: Derco Aerospace Inc. Director of Logistics Programs: Represents and advocates for the organization, bringing an understanding to and developing, articulating and facilitating an agenda for the promotion and marketing of the corporation. Responsible for the management and execution of multiple logistics programs. Acts as liaison between cross-contract entities, customer and corporate interests. Led Derco Logistics team to AS 9120 Certification, VPP Star Certification and ACE Bronze compliance. Oversaw the material forecasting and supply chain management for T34/44 aircraft and UH-60 Blackhawk components. Ensured supplier compliance to the United Technologies Corporation Quality Standard. I was responsible for a 25% increase in revenue for the CCAD program.

November 2003-February 2010. Derco Aerospace Inc. Project Manager: Through various projects and roles, coordinated the efforts of the warehouse team to ensure timely and efficient receipt, storage, picking and delivery of Blackhawk Helicopter parts in support of the recapitalization of Sikorsky's Blackhawk Helicopter and components at the Corpus Christi Army Depot. Responsible for the forecasting, purchasing and overall supply chain management of the materials required for the overhaul of 23 unique Blackhawk Components managed by Derco Aerospace. Critical shortages were reduced from 30% to less than 0.1%.

May 1983-October 2003. United States Navy. Aviation Repairables Manager: Directly responsible for maintaining 100% inventory accuracy and stock levels at various duty stations in the Continental United States, Overseas and shipboard locations.

Skills:

- Continuous Improvement: Qualified Associate of United Technologies Corporation ACE operating system.
- Leadership: Lead several diverse teams and departments with successful results.
- Project Manager: Project Manager for the successful implementation of SAP in the warehouse
- Software Integration Team: Key player in the implementation of ERP upgrades
- Database Administrator: Maintained data integrity of specialized Naval shipboard supply systems database. Performed weekly backups and reviewed output products for accuracy.

Education/ Training

- Project Management Institute (PMI). –Certified Project Management Professional (PMP).
- Embry-Riddle Aeronautical University. –MS Project Management.
- Embry-Riddle Aeronautical University. –MS Management. (Logistics and Supply Chain)
- Embry Riddle Aeronautical University. –BS Technical Management. Magna Cum Laude
- Saint Michael's College, Belize City, Belize. -High School Diploma
