Describe Feedback:	<p>Our home, 543 South Bayberry Place, backs up to the Property up for rezoning. We have been in our house for 18 years and loved our neighborhood because it is a quiet neighborhood. Our street is mainly traveled by our residents. Bringing in a business will mean several negative changes. As far as I can see, only one positive change.</p> <p>*The Positive- our community needs a local gym (Freedom Fitness going in) *Negative</p> <p>1. No Privacy- There is no fence around the current property. We have a chain-link fence around our property and some of our neighbors also have chain-link. The increase in people in the</p>

area exposes our properties to stranger danger for our kids, Theft, peeping toms.

2. Safety- increase in crime due to exposure 24hours a day

3. Traffic- Waldron Rd is only 2 lanes. No shoulder. No turning lane. That will mean more traffic accidents.

4. Noise-increased traffic noise, music, and car doors slamming.

Our bedrooms are close by.
