E. Committee Reports

F. Staff Reports

[24-1238](#) Region 11 Zoonosis Report

Attachments: [Zoonosis June 2024](#)

Mr. Escobar advised the Board the Zoonosis is the same as the previous month and a new one should be available at the next meeting as the report is quarterly.

[24-1235](#) Monthly Shelter and Clinic Report

Mr. Escobar went over the CCACS Comparison Shelter report. Mr. Smith inquired on a dog he picked up for a rescue to transport, Mr. Escobar explained that would be under the "Rescue" outcomes in the shelter report. Ms. McCollough inquired on the "Owner Surrender" being at zero on the report, Mr. Escobar explained that there were requests made but were denied for various reasons, approvals are based on specific situations and space, other resources for rehoming are given. Mr. Perkins inquired on the "Other Outcomes" on the comparison report. Mr. Escobar explained that section would be any other animal besides a dog/cat. Majority of the "others" are pets from confiscates, if we are unable to find placement and animal is sick/injured it may result in euthanasia. Ms. McCollough inquired on the difference between "Failure to Spay/Neuter" and "Spay/Neuter of an Adopted Animal". Mr. Escobar explained adopters receive a sterilization order if the adopted animal is not a candidate for spay/neuter at CCACS, if the adopter does not comply then it would fall under "Spay/Neuter of an Adopted Animal", if the animal is impounded at CCACS and returned to an owner and the owner does not comply with the sterilization order issued then it would be "Failure to Spay/Neuter". Mr. Dominguez inquired on statistics on outcome of the "Failure to Spay/Neuter of an Adopted Animal". Mr. Escobar advised he is working with the Municipal Court to gather information to provide the Board. Ms. Cardenas inquired on the "Pending" section for the calls for service on the comparison report, Mr. Escobar explained they pending to be serviced. Mr. Perkins inquired on the microchip report, Mr. Parrott explained partners The Cattery and PAAC report implant information to CCACS for data entry and registration. Mr. Dominguez advised that he believes there was misinformation about registration of chips that are implanted on CCACS. Mr. Escobar advised he would check with communications about a social media post about registration.
