

Amendment #1
Finance & Procurement

Date: February 6, 2024

Agreement #: 131358 - Cisco DNA and Security Software

Contractor/Consultant: Great South Texas Corp dba Computer Solutions

Current Amount: \$1,824,278.94

- I. Section 3, Compensation and Payment, of the Agreement is amended by increasing the amount \$52,358.40; therefore, the revised total of the Agreement is \$1,876,637.34.
- II. **Attachment B-2**, which is attached to this Amendment #2 and its content incorporated by reference into the Agreement as if fully set out here in its entirety, is added to capture the following changes: Quote 1038379 (which, in tandem with Quote 1037812, constituted part of the parties' initial Agreement) is preserved in full force and effect without any change to years 2 and 3 of the Agreement; and Quotes 1037812 and 1041394 (the latter of which constituted Amendment #1 to the Agreement) are both superseded and replaced by Quote 1043631 for years 2 and 3 of the Agreement to recognize: (a) the removal of Cisco Advanced Malware Protection for Endpoints for years 2 and 3 (re: Quote 1037812), (b) the addition of Cisco Advanced Malware Protection for Endpoints Advantage for years 2 and 3 (appears on new Quote 1043631), and (c) the combination of the remaining software applications from the former quotes into one new consolidated quote. Furthermore, for clarity, year one of Amendment #1 of the Agreement has been satisfied and is, upon the date this Amendment #2 takes effect, cancelled by the parties for all intents and purposes.
- III. Amendment #2 is effective February 16, subject to approval and execution by each party.

To the extent the provisions of this Amendment #2 conflict with any provisions of the Agreement and prior amendments, if any, the provisions of this Amendment #2 prevails and governs for all intents and purposes.
