Texans Feeding Texans Grant Award for the Home Delivered Meal Program

### **CAPTION:**

Ordinance authorizing the City Manager or designee to ratify the execution of all documents necessary to accept and appropriate a \$49,795.82 grant from the Texas Department of Agriculture Texans Feeding Texans Program in the No. 1067 Parks and Recreation Grants Fund for the FY 2015 Senior Community Services – Texans Feeding Texans.

### **PURPOSE:**

Appropriate Texans Feeding Texans grant funds to supplement the Elderly Nutrition Program Home Delivered Meals Program.

### **BACKGROUND AND FINDINGS:**

The City receives grant funding for the Senior Community Services Program through Federal and State grants that must be appropriated each year. Additional grant opportunities are also sought to expand program operations and fund special initiatives. This grant does not require any City match funding.

The Texans Department of Agriculture Texans Feeding Texans Program provides state funding to directly supplement or extend meal services to homebound persons that are elderly or disabled. The Senior Community Services, Elderly Nutrition Program coordinates the home delivered meals operations to provide a fully prepared, well-balanced noon meal to senior center members and homebound and/or disabled persons throughout the City. The meals are prepared at the Nutrition Education and Service Center located on the Del Mar College West Campus.

Funding for this program is contingent on an approved resolution through the county in which meals are served. The Nueces County Commissioners Court approved a resolution to authorize the City of Corpus Christi's application for FY 2015 funding. The City of Corpus Christi's grant allocation was to be determined by census data for elderly living in Nueces County as included in the grant application submitted by Nueces County. Last year's funding for this grant was \$62,142.63. The award amount has decreased due to the increased number of other agencies applying for the limited funds. The Texans Feeding Texans Program provides funds to supplement the food and food supply budget and supports one full time staff position dedicated to the Home Delivered Meal Program.
