- 12) Rooftop Activation Program

# Commercial Finish-Out Program

*Landlord Policy* – Due to severe lack of building maintenance, many buildings require significant mechanical, electrical, or plumbing repairs that cannot be funded by a small business tenant. Additionally, wall construction could be required to separate existing spaces into more than one leasable space. Thus, 50% of Mechanical, Electrical, Plumbing, and/or Wall Construction Costs (Up to \$20,000) will be available to the landlord with a new tenant if that landlord provides a 6-month rent waived lease on first-floor, active street use projects. Payout to landlord will occur when the tenant receives a Certificate of Occupancy.
