Upfitting Services for Police Vehicles

Council Meeting: August 11, 2026

Upfitting Services for Police Vehicles

Motion authorizing execution of a one-year service agreement with Gulf Coast Fleet and Truck Equipment, LLC, of Corpus Christi, through the TIPS Cooperative, in an amount up to \$700,839.92 for upfitting services for Police vehicles, with FY 2026 funding of \$192,458.52 from the Crime Control District Fund, \$363,532.76 from the Fleet Equipment Replacement Fund, and \$144,848.64 from the General Fund.

Background

Upfitting Cost Breakdown

Vehicle Type	Qty	Upfitting Cost Each	Extended Cost
Ford F150 Responder K9 (Ordered in FY25)	2	\$ 29,655.76	\$ 59,311.52
Ford F150 Responder (Ordered in FY25)	21	\$ 21,384.28	\$ 449,069.88
Ford F150 Responder (Ordered in FY26)	9	\$ 21,384.28	\$ 192,458.52
Total	32		\$ 700,839.92

Procurement Detail

- This procurement is through the TIPS Cooperative. Contracts awarded through TIPS have been competitively procured in compliance with local and state procurement requirements.
- Gulf Coast Fleet and Truck Equipment, LLC is offering a 10% discount through the TIPS cooperative and is the only local service provider certified and authorized to provide the upfitting services for Police units and the electronics involved.
- Due to certifications and training, the previous labor rate of \$90 per hour has increased to \$100 per hour since 2023.

TIPS Cooperative

Gulf Coast Fleet and Truck Equipment, LLC

- The upfitting kits include accessories and equipment such as lights, full compartment partitions, sirens, push bumpers, and center console keyboard mounts.
- The proposed one-year agreement also provides a warranty for the upfitting kits and associated workmanship.
- The upfitting for the 32 police vehicles is estimated to be completed in 10 months.
